

ARMIES OPPOSING GERMANS UNIFIED

ALLIED AND AMERICAN FORCES IN FRANCE ARE UNDER FRENCH CHIEF

Imperative Demand for Centralized Effort Forces Unification of All Armies Opposing Huns

WASHINGTON, March 29.—Official information has reached Washington that General Foch, the French chief of staff, has been appointed to supreme command of all the allied and American forces in France.

This means unification of all the armies opposing the Germans, a step which the American and French military men long have urged and which apparently has been brought about by recognition of the imperative demand for centralized effort to hurl back the gigantic thrust of the enemy in France.

It was learned tonight that the president had been officially advised of the action when he sent a cablegram to General Foch today congratulating him on his new authority.

It is understood there will be no official comment here until after an announcement comes from France.

The first hint of the historic development came in Press cable despatches telling how General Pershing had placed the American expeditionary forces at the disposal of the French commander. This was confirmed tonight in a message from General Pershing to the war department. General Pershing's despatch made public by Major General March, acting chief of staff, follows:

"Have made all our resources available and our divisions will be used if, and when, needed. French are in fine spirit and both armies seem confident."

There was no mention in the Pershing despatch of the new authority given General Foch, and war department officials were speculating over the reasons for the absence of any official announcement. Some still were inclined to believe that the French general had been placed in command only of the army of maneuver, the reserve force composed of contingents from all the allied armies created after the formation of the supreme war council. In his message to General Foch, the president said:

"May I not convey to you my sincere congratulations on your new authority? Such unity of command is a most hopeful augury of ultimate success. We are following with profound interest the bold and brilliant action of your forces."

Before General Pershing's message came tonight Gen. March was without advices to confirm the press despatches, because of the inevitable delays in transmission of official messages.

The news of the appointment of General Foch, one of the heroes of the marne, to supreme command, gave rise instantly to suggestions that the presence of Secretary Baker in Europe was connected with the development. Mr. Baker first visited France and conferred at length with French officials and with General Bliss, American chief of staff, attached to the supreme war council, and General Pershing. There followed a brief trip to London just as the great German drive was starting, after which the American war secretary hastened back to France.

Many observers now surmise that Mr. Baker was sent to Europe particularly to urge the co-ordination of all allied arm-

SENATE PASSES RESOLUTION TO EXTEND DRAFT LAW

Would Register Men Reaching 21 Since June 5, 1917

WASHINGTON, March 29.—The resolution extending the selective draft to men reaching the age of 21 years since June 5, 1917—the first registration day—was passed tonight by the senate without a record vote after a futile attempt had been made to add to it a provision for training youths from 19 to 21 years old. It is estimated that about 700,000 men will be added to the registration this year by the resolution, which is one of the pieces of legislation on which the war department is waiting before announcing complete plans for the next draft. It now goes to the house for consideration with the bill to base draft quotas on the number of registrants in class one instead of on population, another of the administration measures already passed by the senate.

The proposal to require training of boys over 19 and under registration age was in the form of an amendment by Senator New of Indiana, which the senate rejected, 36 to 26, after a debate of several days. A number of senators who favor universal military training as a peace time policy voted against the amendment.

As adopted the resolution provides that all male citizens of the United States residing in this country attaining their majority since June 5 last shall be subject to registration, under regulations prescribed by the president, shall present themselves for registration on a day proclaimed by the president and thereafter shall be liable to military service. There was no opposition to the resolution itself, the only controversy being over the New amendment.

Opponents of the plan argued that training youths would hamper urgent army enterprises and take the labor from farms and factories, without providing soldiers for immediate needs at the front. Strong sentiment for universal, compulsory military training was apparent however, and today's vote was not regarded as foreshadowing future action on Senator Chamberlain's universal training bill.

Principal opposition to Senator New's proposal came from the Democratic side of the senate, although four Democratic members, Chamberlain of Oregon, King of Utah, Gerry of Rhode Island and Myers of Montana voted for its adoption. Five Republicans, Borah of Idaho, Gronna of North Dakota, Jones of Washington, Norris of Nebraska and Townsend of Michigan joined with the Democrats in rejecting the amendment.

The vote on Senator New's amendment follows:

For the Amendment.
Democrats: Chamberlain, King, Gerry, Myers.
Total Democrats 4.
Republicans: Calder, Cummins, Curtis, Dillingham, Fall, France, Frelinghuysen, Gallinger, Johnson of California, Kellogg, Kenyon, Nelson, New, Page, Poindexter, Sherman, Smoot, Sterling, Sutherland, Wadsworth, Warren and Watson.
Total Republicans, 22. Total for 26.

Against the Amendment.
Democrats: Bankhead, Beckham, Fletcher, Gore, Henderson, Hitchcock, James, Johnson of South Dakota, Jones of New Mexico, Kirby-McKellar, Nugent, Overman, Rees, Robinson, Sausbury, Shafroth, Shepard, Smith of Arizona, Smith of Georgia, Smith of Maryland, Stone, Swanson, Thomas, Thompson, Tillman, Trammell, Underwood, Vardaman, Walsh and Wolcott.
Total Democrats, 31.
Republican: Borah, Gronna, Jones of Washington, Norris and Townsend.
Total Republicans, 5.
Total against, 36.

GENERAL WOOD PASSES PHYSICAL EXAMINATION

WASHINGTON, March 29.—Major General Leonard Wood has passed his physical examination for active service at the front and will be returned to the command of his division at Camp Funston, Kansas. This became known at the war department late today, disposing of rumors that thru the rigid test to which all general officers who are to take the field in France are subjected the administration was preparing to shelve General Wood, senior major general on the active list of the army.

General Wood was examined yesterday by a board headed by Brig. General William Harther and one of the Doctors Mayo, Rochester, Minn.

Unless he is selected for some more important post, General Wood probably will retain command of the 8th division when it is sent to France.

In his fifty-eighth year the former chief of staff enjoys robust health and is not bothered by the shell fragment wound in the left arm he sustained while observing the fire of a French gun while abroad recently.

Official War Statements

(By Associated Press)

German Forces Take 70,000 Prisoners
BERLIN, March 29.—via London.—Since the beginning of the great battle now in progress the German forces have taken 70,000 prisoners and 1,100 guns, says today's army headquarters report.

Long Range Gun Shell Kills 75
PARIS, March 29.—Seventy-five persons were killed and ninety wounded, most of them women and children, when a shell fired by a German long range gun fell on a church in the region of Paris while Good Friday services were being held, according to an official communication issued this evening.

Among those killed was H. Stroehlin, counsellor of the Swiss legation in Paris.

The same church was struck by a shell during the celebration of high mass last Sunday and many casualties resulted.

Fresh French Troops Arriving
LONDON, March 29.—The counter-offensive of the French continues between Mont Didier and Lassigny, says the official communication issued this evening. It adds that fresh French troops are arriving on the scene.

Germans Report Successful Engagements
BERLIN, March 29.—via London.—Successful engagements between the Somme and Avere rivers are reported in the German official statement issued this evening.

Has Not Pressed Attacks North of Somme
LONDON, March 29.—Apart from local fighting at different points, the enemy has not pressed his attacks today north of the Somme, according to the official statement issued by the war office tonight.

"We gained ground at certain places," the statement continues. "South of the Somme heavy hostile attacks developed during the morning in the neighborhood of Mezieres and Demum. Fighting is still going on in this sector."

"It is known from captured documents that the German attack yesterday across the Scarpe had for its objective the capture of Vimy Ridge and Arras. This attack was carried out by at least six divisions on the front line with four assault divisions in support."

"Despite the force of the attack the impression made upon our battle position was inconsiderable and the fighting resulted in a severe defeat for the enemy."

"In heavy fighting further south between Boye and Sierre which had no great success, no fewer than eleven hostile divisions were identified."

Notable Diminution of Fighting
PARIS, March 29.—Along the battle front of the Oise there has been a notable diminution of fighting during the day, according to war office statement issued tonight. During the course of the day the offensive activity of the Germans was manifested only by local attacks against a few points along the front the statement continues.

The official report reads: "Along the battle front of the Oise there has been a notable diminution of the fighting during the course of the day. The offensive activity of the Germans was manifested only by local attacks on a few points along our front which are being strengthened every day by the constant arrival of reinforcements. All of these attacks were repulsed by our troops with losses for the assailant."

"Raids against our positions in the region of Badonville, Forest, Parroy and south of Seppois were completely broken down."

MEATLESS DAY REGULATIONS TO BE SUSPENDED

WASHINGTON, March 29.—Suspension of the meatless day regulations for thirty days beginning tomorrow, was ordered tonight by the food administration in instructions telegraphed to all state food administrators.

Temporary relaxation of the restrictions was decided on because thousands of hogs now coming into market have increased the meat supply beyond the country's shipping and storage capacity. In a statement announcing the order food administrator Hoover expressed confidence that producers, packers and retailers would have "sense enough to realize this is not to be a holiday of high prices."

"The much over normal run to markets of hogs due to supplies held back during the winter months' car shortage, continues," Mr. Hoover said, "and seems likely to go on for another thirty days. After this period the seasonal shortage in marketing will set in."

"The consumer should not take this announcement as in any way a departure from the general principles of conservation of all foods which the food administration preaches. The need of food on the other side is greater than ever—the need of economy in America is greater than ever."

WILL NOT ATTEND ANY MORE SETTLEMENT CONFERENCES

St. Louis, Mo., March 29.—Labor leaders here who are in charge of strikes which have tied up many St. Louis industries voted today not to attend any more settlement conferences and to despatch a committee to Washington immediately to confer with the war and labor departments. Major W. O. Rogers, representing the war department has been here for more than a week, attempting to bring about a compromise but the action of the men today has the effect of concluding his efforts for the present at least.

SIX GERMAN OWNED WOOLEN MILLS ARE TAKEN OVER BY U.S.

WASHINGTON, March 29.—Six great German owned New Jersey woolen mills with a total valuation of more than \$70,000,000 have been taken over by the alien property custodian who has named governing boards of directors to assume control of them. The earnings of the properties during the war will go into the federal treasury for the purchase of Liberty Bonds.

The mills taken over were announced tonight by A. Mitchell Palmer, the alien property custodian, as follows:

"The Passaic Worsted Spinning Mills, the Botany Worsted Mills, the New Jersey Worsted Spinning company, the Fortmann and Huffman company and the Gera Mills, all of Passaic, N. J., and the Garfield Worsted Mills of Garfield, N. J."

AGREE TO SELL FERTILIZER DIRECT TO FARMERS

WASHINGTON, March 29.—Fertilizer manufacturers representing three fourths of the American industry have agreed to sell fertilizer in carload lots direct to individual farmers or farmers' associations at the same price made to dealers and jobbers, Secretary Houston today advised Senator Martin of Virginia. Farmers finding difficulty in securing fertilizers and members of congress desiring to increase agricultural production have been urging concession.

LIBERTY LOAN BILL COMPLETED

Washington, March 29.—The new liberty loan bill authorizing an additional \$4,500,000,000 in bonds, the issuing up to \$8,000,000,000 in treasury certificates and providing for an additional loan to the allies of \$1,500,000,000 was completed today by the house ways and means committee and introduced in the house by Chairman Kitchin. Efforts will be made to pass the measure tomorrow so that it will be ready for senate action Monday.

BULLETINS

WITH THE AMERICAN ARMY IN FRANCE, March 29.—By The Associated Press.—Secretary of War Baker arrived at general headquarters this morning and spent the entire day conferring informally with General Pershing and staff officers. The secretary talked with many persons gathering impressions and information. He sent word to the correspondents that he wished to see them tomorrow morning.

FORT WORTH, Texas, March 29.—Two members of the Royal Flying Corps were killed in separate accidents today at British training camps near Fort Worth. Cadets F. J. Dwyer of Montreal, Que., and James H. Rowan of Gabrola, Island, B. C., were the victims.

Young Dwyer dropped to his death while making his first cross-country flight alone. He was killed at Everman Field. Rowan's death resulted from his inability to right his airplane when he had sent it into a spinning nose dive. His plane crashed from a height of 300 feet at Ben Brook Field. The bodies tonight were held at local undertaking establishments pending advices from relatives.

WITH THE AMERICAN ARMY IN FRANCE, March 29.—(By The Associated Press.)—One of the American positions in a town on the lone northwest of Toul was heavily bombarded for five hours, ending at three o'clock this morning. The enemy used shrapnel, high explosives, gas and incendiary shells. At the same time the enemy started fires back of his line in No Man's Land which gave off dense clouds of smoke. The fact that four troops of enemy cavalry were seen at sundown yesterday and the development of the bombardment into barrage led to the supposition that the enemy was using his smoke clouds to conceal advancing troops. One body of enemy troops was observed on one of the flanks.

The barrage of the Americans swept across No Man's Land and another in the direction of the flank. All the American machine guns came into action simultaneously, and the Americans stood by ready for the Germans. None of them appeared however.

The incendiary shells of the enemy set fire to the grass and the camouflaged positions in the American lines. The flames burned briskly until the rain quenched them.

CANADIAN GUARD IS CALLED OUT TO QUELL QUEBEC MOB

QUEBEC, Ont., March 29.—The militia has been called out to quell a mob which is terrorizing the business section of the city. The office of the Chronicle owned by Sid David Watson, commander of the fifth division of the Canadian expeditionary force has been wrecked and the Auditorium Theater is reported to be on fire.

The rioting was started by men opposed to the conscription act. After wrecking the newspaper office which adjoins the theater, the mob went to the building occupied by the City Registrar. The quarters occupied by the registrar were demolished. The purpose of the crowd is supposed to have been to destroy the record of cases which have been heard in the exemption courts.

Mayor Lavigne called upon the jeering throng to disperse and then read the riot act. When he realized his efforts were fruitless he called out the militia. The mob apparently was cowed when the troops appeared.

AMERICAN PATROL TAKES FOUR PRISONERS

WITH THE AMERICAN ARMY IN FRANCE, March 29.—By The Associated Press.—An American patrol, consisting of a regimental intelligence officer, a sergeant and three men, this morning took four prisoners from a German outpost position. Two of the men ran and were killed when they refused to halt. The four soldiers captured were mere youths. They were brought back to the American lines in broad daylight. The were poorly fed and clothed and seemed to be exceedingly glad to be captured by the Americans. One of the men even asked permission to go to a nearby point and get his brother.

Extremely valuable information is said to have been secured from the men.

FAIL TO REACH AGREEMENT

Washington, March 29.—Conferees on the administration war finance corporation bill failed again today to reach a complete agreement but they tentatively approved authority for the corporation to issue \$3,000,000,000 in bonds in lieu of the senate and house provisions for \$4,000,000,000 and \$2,000,000,000 respectively. The principal dispute remaining is whether in the corporation's direct loans to industries, or 133 per cent security shall be required.

GERMAN DRIVE IS HALTED

American Forces Placed at Disposal of French Commander

ALLIED WORLD AWAITS COUNTER OFFENSIVE

(By Associated Press)

The entente forces opposing Germany in France are, for the first time during the war, fighting under the control of a single commander, General Foch, the great French strategist to whom has been accorded much of the credit for the victory of the marne in September, 1914, is generalissimo of the entente allied armies in France. This report was received on Friday morning in the form of an unofficial despatch from London, but in the evening it was officially confirmed by advices to Washington from Paris. Early in the day, President Wilson sent a personal cable message of congratulation to General Foch and General Pershing placed at the disposal of the French commander the American forces now on French soil. General Foch is given supreme command over all the men on the battle lines and in addition has a strategic reserve force the size and location of which is not known but which, judging from reports, is very large.

After eight days, during which it has swept forward over the rolling hills of Picardy at times like a tidal wave, the German offensive has slowed down. Instead of a sweeping advance its progress has been checked at all but one sector of the front and there it has been merely creeping for the last two days—this fact even admitted by the German war office which usually concedes nothing.

British Lines Hold

From Arleux, north of Arras to Albert on the Somme, the British lines have been holding stubbornly and have thrust back the Germans at a number of points. From Albert south to Mont Didier, there has been a slow movement to the west, but the hills west of Mont Didier are still being held by the French. No ground has been made against the French along the southern side of the salient driven into the allied lines while it is asserted that the French counter-attack from Lassigny to Noyon is still going on. The extreme depth of the German wedge is about 37 miles.

Await Allied Blow
Meanwhile, the allied world is awaiting for the entente forces to strike back at the Germans.

When this blow, if it comes,

cation of all news dispatches cred-
ited to it or not otherwise credited
in this paper and also the local
news published herein.

Our enemy is desperate, realizing
that he faces ruin unless he breaks
thru the wall of the allies to Paris.

Madam Schuman-Heineke is U. S.
A. all right. She refuses to speak
or sing in German and has three
sons in the American army.

Pershing has made a trip to Paris
to tender the services of all American
troops in France to the commanding
officers for service in the battle front.

There is no question as to what
the present battle is about—it is the
beginning of the decision as to
whether civilization shall live and
thrive or revert to autocracy.

Ice cream makers of the country
have been notified they can only use
80 per cent of the sugar formerly
required in its manufacture. Sugar-
less ice cream would be healthy.

In the great battle now raging
both Paris and London can hear the
roar of the cannon. It is as if Chi-
cago and St. Louis were listening to
a fight mid-way. The allied people
can more nearly realize the actuality
of the fighting.

While the Germans have gained
on the west front they have not
broken thru and their losses have
been very great. The ground they
have taken cannot be held unless
they are given time to fortify.

Judge Thompson, the opponent of
Lenroot in the primary in Winches-
ter, has come out squarely in support
of the latter. This is as it should be
and will go a long way toward assur-
ing success.

OUR PRIVATE WIRES.

(Chicago Tribune.)
Some months ago the report that
a high official, a man very close to
the president, had been convicted of
treason and secretly executed, sprang
apparently from nowhere and spread
over the country. It was not carried
by any newspaper. It came over
private wires of brokers and business
houses, and was solemnly vouched
for as true.

Of course this vicious rumor was
a canard, which finally the news-
papers were compelled to notice and
emphatically to deny. But this is
not the only instance of the rumor
mongering which amateur purveyors
of gossip spread abroad. In most
cases the rumors are comparatively

harmless, as in the case of the yarn
about Monday that the crown prince
had been captured and that great
masses of German troops had been
captured.

We would warn the public against
taking "the private wire" as a reli-
able or even plausibly source of news
about the war. It is the village gossip
and marplot raised to the nth
power and places no check upon
nonsense. We suggest also it be com-
pared to the regular news service of
the press, when the reader is inclined
to abuse the latter for inaccuracy or
irresponsibility. Probably only news-
papermen and psychologists know
how difficult is the work of verifying
news, weeding out rumor and re-
porting facts. But the newspaper,
tho it must often fail, at least has
a highly developed organization,
trained and experienced. Some idea
of what it accomplishes for the reli-
able information of readers can be
gained by comparing its product to
the rumors that come with solemn
claims of authentication over the pri-
vate wires, in private letters or from
other amateur sources of alleged
news.

HEBREW TO REGAIN PALESTINE

The press at various times has
commented upon the return of the
Jews to Palestine as one of the most
dramatic events of the great war. It
is a matter of world wide interest
that a commission representing the
Jews of England, France and Russia
has gone to Palestine to restore that
city and to set up a Jewish state. It
is proposed to establish there a new
Zion devoted to development of the
Hebrew people and religion and it is
expected to have a domain where
freedom and social justice prevail.
The proposed action is in line with
the promises made by the British
government. When the character
and stability of the men who are to
supervise this rehabilitation after a
period of 2,000 years is considered,
there does not seem to be anything
idealistic about the plan. Their pur-
pose will probably be achieved.

With different leaders and differ-
ent people to deal with this Zion city
might be looked upon as an experi-
ment but in the light of history and
remembering the ideals of this
people, the unprejudiced will look
for the building of a city where Jew-
ish orthodox ideals may be realized.

MORE MEN FOR ARMED FORCES.

The senate has voted favorably
upon the law requiring the registra-
tion of Americans who have become
citizens since May 5, 1917. This law
would immediately make 700,000
additional young men available for
the draft law and it is probable that
the age limit will also be extended
in order to make more men available
for army service. News from the war
front, while not of a kind to bring
alarm as to the general final out-
come, does indicate that American
preparations must be pushed with
greater force than has marked even
the excellent efforts of past months,
and that there is the certain need
of a greater armed American force
on European soil.

MEATLESS DAYS SUSPENDED.

The meatless day rule of the food
administration has been suspended
for thirty days, which affords the
best kind of proof both that the rule
has been obeyed and that the sugges-
tion for greater production of beef
and pork has followed. Suspension
of the and other food administra-
tion rulings as conditions make
them possible, will help convince the
country not only of the earnest pur-
poses of the administration but the
practical way in which it operates.
Saving food for the allies must
have first consideration and the ad-
ministration must also show its
thought for the convenience and
comfort of Americans. It will not
be difficult to enforce the rule again
when it becomes necessary. For the
organization is perfected and the
various means of publicity keep the
public constantly in touch with food
administration rulings.

THE HIGH SCHOOL PROBLEM.

The discussion of the high school
question at the meeting of the Rotary
Club yesterday was of a very profit-
able kind. The suggestion by Pres-
ident Harker that the present site of
the high school building was inade-
quate, no matter, whether the new
building is a Jacksonville or a com-
munity enterprise, received general
approval.

The high school has in the past
years come to be considered the
people's college and there is less ob-
jection to the expenditure of money
for the development of such an in-
stitution than there is for almost any
other public project. Also a highly
developed high school might be pre-
sumed to do at least some of the
work done in the beginning years
of a college course, it is noteworthy
that both Dr. Harker and Dr. Ram-
melkamp yesterday spoke a favor-

able word for development of high
school facilities. Possibly the ex-
planation is found in Dr. Harker's
statement that "Education is bene-
ficial to education," meaning doubt-
less that the better and larger the
high school the greater the local in-
terest in all educational institutions
and affairs. No matter what plan
of high school building is determined
upon, all can agree that one of the
first considerations is speed, speed,
speed.

Rippling Rhymes
By WALT MASON

THE BLITHE SPIRIT

Oh, Monday may be wheateless,
and Tuesday may be meatless, but
I'll be happy still; if I can swat
the foeman by skipping my abdomen,
I'll do it with a will. The Lusitania
ham and bacon by me will be forsaken,
if that's the proper move; I'll
cut out red meat dishes, and feed on
bony fishes, and chortle while I
hoove. That gent is not a winner
who kicks because his dinner is shy
of pork or beef, who eats his wheat-
less ration, and grumbles of priva-
tion, and airs a lot of grief. Some
day perhaps we'll suffer; our diet
may be tougher than we have ever
known; before the war is ended we
may think shavings splendid, and
gnaw old Towser's bone. We may all
go together to eat a side of leath-
er, before we end the war; our per-
sons lank and hollow, we may be
glad to swallow some boiled excel-
sior. Let's not pretend we're mar-
tyrs, until we chew our garters and
eat our Sunday shoes; let's eat the
scheduled vittles, and show no jots
or tittles of grouches, dumps or
blues. My health has been improv-
ing since I first started hooving, and
eating simple fare. I have better
figure, and I am full of vigor, my
whiskers full of hair.

CHURCHES TO OBSERVE NEW HOURS

At the Friday meeting of the
Ministerial association it was voted
to hold Sunday service in accordance
with the new time schedule which
will be effective Sunday morning at
2 o'clock. Services will be held as
follows, Sunday school at 9:30 a.
m.; morning worship 10:45; young
people's service 7 p. m.; evening
service 8 p. m. Those who attend
church tomorrow and on other Sun-
days during the coming months
must remember that the services
are all scheduled to occur one hour
earlier than has been true in the
past.

Rev. and Mrs. Albert L. Wood of
Leavenworth, Kans., who have been
guests for several days past at the
home of Mrs. Jane K. Wood of Dun-
can Place, will leave this morning
for Carlville to make a brief visit
with Rev. and Mrs. W. S. Phillips.

Mrs. S. F. Hohman of northeast
of the city has received word of the
death of her brother, James Self at
Gary, Oklahoma, in an automobile
accident. Particulars of the death
have not yet been received. Mr. Self
is survived by his wife and four
children, Paul, Bessie, John and
Clara.

Richelieu coffee. Douglas.

STILL DEADLOCKED.
Peoria, Ill., March 29.—The Re-
publican judicial convention off the
fifth supreme court district adjourned
tonight until next Thursday after-
noon. Still deadlocked, the 627th
ballot, taken just before adjournment
stood: Eldridge, 21; Stone,
18; Graves, 16.

SHOOT PASSION P. AY PICTURES
A session of stereoscopic views of
the Passion play were shown at Mt.
Emory Baptist church Friday even-
ing to a large audience. Rev. E. L.
Scruggs operated the picture ma-
chine and the lecture was delivered
by Mrs. Scruggs.

MEREDOSIA BAY IS FISH PRESERVE

Only Hook and Line Can be Used at
This Resort—Fishery Companies
Protest in Vain.

Those interested in the fishing in-
dustry in a wholesale way in Mere-
dosia are greatly disturbed by the
fact that Meredosia Bay has been
designated as a fish preserve. The
legal notice to this effect was pub-
lished in the Meredosia Budget un-
der authority of Charles Adkins, di-
rector of agriculture and Ralph F.
Bradford, chief game and fish war-
den. Since this order has gone into
effect it is now unlawful to seine in
the bay and only such fish can be
removed from the water as are
caught with hooks and line.

There are three principal firms en-
gaged in the fish business at Mere-
dosia, the McLain Fishery, Meredo-
sia Fish Co., and the Edlin Fish Co.
These firms have been in the habit
of seining in the bay each year and
shipping carp so caught to New York
and other eastern markets. The
firms are said to have been en-
equipped to the value of \$4,000 or
\$5,000 but they cannot now use it in
the bay. They presented their case
before the department at Springfield
but the state government insisted
that the original order will stand.

It is said to be the purpose of
the department to seine the bay for
fish to be used at the state institu-
tions or to be sold for the benefit
of the state. Statistics show that
practically 90 per cent of the carp
marketed in this country come from
Illinois river. This is only one of a
number of orders issued from the
state department seeking to preserve
the river fish to a greater extent for
the benefit of the state at large.
Fishery companies naturally are
greatly opposed to the action taken
and do not believe that their invest-
ment rights have been fully consid-
ered.

WHITE PIG MARKETFRANKLIN FARMERS
IN CONFERENCE

Seventy Five Attended Meeting Held
Friday Night—County Agent Ken-
dall Made Address.

Acting under call of M. A. Van
Winkle representatives of Farmers
club held an enthusiastic meeting of
farmers at Olinger's hall in Franklin
Friday night. Charles Gibson was
chairman and he first called upon
C. S. Black, president of the Farm-
ers club, for remarks and afterward
on G. B. Kendall, county agent who
made the principal address.

Then came a number of informal
talks and a general conference on
farm subjects. Seventy five farm-
ers were in attendance. Among var-
ious speakers were W. N. Luttrell and
James Kenney. When the subject of
farm labor was considered it was de-
cided to appoint a local committee
to serve as a clearing house in con-
nection with the work of Mr. Ken-
dall, who is the county labor ad-
ministrator. This Franklin commit-
tee includes Charles Gibson, M. A.
Van Winkle, P. M. Spires, S. J.
Camm and William Wells.

Mr. Kendall and Mr. Black were
accompanied to Franklin by F. J.
Blackburn and H. J. Rice. Mr. Ken-
dall in his address talked about
spring wheat and expressed the op-
inion that it is now too late to try out
wheat this year. In a normal year
he would not advise the sowing of
spring wheat this far south but took
the ground that farmers should in
these abnormal times be willing to
plant a few acres with the hope of
increasing the sum total of wheat
production.

Hog cholera was another subject
discussed at some length. Mr. Ken-
dall frankly taking the ground that
there is no certain cure for hog
cholera but that the results obtained
from vaccination are sufficient to
warrant this system. The seed corn
situation was considered at some
length and facts affecting the whole
state were presented. Reasons were
given why it is important not only
to individual farmers but to the
whole country for them to take es-
pecial care with seed corn this year,
and to use more than the ordinary
method in making certain that the
seed corn supply is of the right ge-
minating quality.

The county agent does not antici-
pate that the labor situation in this
county will be as acute as in some
others but outlined the general plan
he has for keeping farmers in
touch with farm workers and bring-
ing about co-operate effort along
this line so far as possible.

COMMUNITY HIGH
SCHOOL PETITION

Document Has Been Signed Asking
County Superintendent to Call an
Election.

A petition addressed to H. H. Vas-
concellos, county superintendent of
schools, was circulated by W. B.
Rogers and will be presented today.
The petition asks the superintendent
to call an election on the ques-
tion of a community high school.
The law requires that such an elec-
tion shall be held if a petition is pre-
sented in proper form with the names
of 50 legal voters.

Unless for some reason the super-
intendent does not think the propo-
sed district is feasible an election
will be called, and if the superin-
tendent does not take this action
the petitioners have the right of ap-
peal to the state superintendent of
public instruction. It is proposed in
this petition to include Jacksonville
and an area of about five miles in
each direction within a community
high school district.

SHOOT PASSION P. AY PICTURES

A session of stereoscopic views of
the Passion play were shown at Mt.
Emory Baptist church Friday even-
ing to a large audience. Rev. E. L.
Scruggs operated the picture ma-
chine and the lecture was delivered
by Mrs. Scruggs.

Social Events

Woodson Christian Church
Held Missionary Tea.

The ladies of Woodson Christian
church held a missionary tea Friday
afternoon with Rev. and Mrs. W. H.
Oldham at the Christian church par-
sonage. There was a good attendance
and the afternoon proved one of
much pleasure. The exercises open-
ed with a song, which was followed
by prayer by the Rev. Mr. Oldham.
A paper on "The Efforts for the
Negro in the United States," was
presented by Mrs. Jessie Culp. "Obliga-
tions of the Religious Leaders,"
was presented with Mrs. R. R. Jones
as leader and a general discussion
followed. A vocal duet was given by
Mrs. R. R. Jones and Mrs. Nettie
Ezard and one by Misses Maurine
and Eloise Self. Miss Bernice Henry
gave a recitation. A social hour fol-
lowed and refreshments were served.

South Side Circle Met
With Mrs. Ollie Parker.

Mrs. Ollie Parker was hostess to
the South Side Circle at her home,
206 West College street Friday af-
ternoon. Mrs. T. H. Buckthorpe was
in charge of the program. The sub-
ject was "Jacksonville and Art." A
short story the "Gold Hat," also was
presented. A social hour followed
during which the hostess served re-
freshments.

Will Celebrate
Wedding Anniversary.

Today's will witness in Winchester
an event not often duplicated, the
64th wedding anniversary of Mr.
and Mrs. Peter Obermeyer and it is
the intention to celebrate the event
with all the children and succeeding
generations present as far as possi-
ble. Mr. Obermeyer, is a native of
Bavaria and came to this country in
1852 and two years later married
Lucinda E. Beasley whose entire
life has been spent in the capital of
Scott county.

Five children were born to the
young couple and then came the
civil war and the father felt it to be
his duty to enlist which he did, serv-
ing more than three years in the
Army of the Tennessee under the
renowned Gen. Sherman, so idolized
by his men.

After his return from the war five
more children were born and a few
years ago all gathered at the family
home though since that time one,
Mrs. A. C. Smith of Winchester, has
died. At the reunion mentioned all
but one slept under the roof of the
old homestead.

The children living are Mrs. A. H.
Owings, Litchfield; Mrs. H. A. Mc-
Keene, Springfield; Mrs. H. I. Run-
ham, Denver; William F. Charles B.
and Anton B., all of Chicago; Dr. A.
E. of Arcadia; J. A. of Jacksonville;
and R. D. of Kansas City. The sec-
ond generation has not emulated the
example of the parents as there are
but twenty grand children, while
there are thirteen great grandchildren,
and one great great grand-
child. The representatives of these
five generations are all males: Peter,
of Winchester; William F. of Chi-
cago, second; C. A. of Alexander,
third; Clifford E. of Alexander,
fourth, and Charles Allan of Alex-
ander, fifth.

It is the intention to have a pic-
ture of these five generations made
and it will be one of much interest.
Mr. Obermeyer is 84 years old and
his wife 80 but they still enjoy good
health and are likely to be with the
loved ones for a good while to come.

Entertain Club.

Miss Lella Roberts of Case avenue
entertained members of the Kill
Cave club at her home Thursday
evening. A business session was fol-
lowed by a social time and the oc-
casion was one of very great
pleasure.

EGGS FOR RED CROSS.

Please leave your eggs for the
Red Cross at the Post Office this
week.

FORMER RESIDENTS HERE

The following from the Hunning-
ton Park California Signal will be of
interest to Jacksonville because of
the fact that Mr. and Mrs. DeLapp
were former residents.

Mrs. Willhite's Pink Tea.

Mrs. James Lee Willhite was hos-
tess at a beautifully appointed pink
tea on Wednesday afternoon at her
home, 149 South Seville. The house
was exquisitely decorated with a
profusion of peach blossoms and
butterflies. A pink letter "W" was
pinned on each guest as they en-
tered, about 40 ladies being in attend-
ance.

A contest, was held in which the
ladies were required to darn animals
on patch-work without pattern or
rhyme. The first prize went to
Mrs. Murry Brown and the second
prize to Mrs. B. H. DeLapp. The
patch work will be bound into a
quilt and later raffled off for the
benefit of the club.

The smallest vocalist in Hunning-
ton Park, Master Brantley DeLapp,
favored the ladies with a solo. "If I
Only Had a Sweetheart," accom-
panied by his mother on the piano.
He was heartily applauded and re-
sponded to an encore.

Refreshments appropriate to the
occasion were served and the affair
proved to be a highly successful
one. Mrs. Willhite proving herself to
be a most charming hostess.

The tea was given as a benefit for
the Liberty Bond purchased by the
Woman's Improvement Club and was
the seventh spoke in the wheel of
many enjoyable occasions given for
this purpose.

COUNTY CANDIDATES GETTING NUMEROUS

Indications Point to Spirited Primary Contests This Year—Some Announcements Already Made.

Indications are for spirited primary contests for all county officers this year. Tho the primaries do not come until Sept. 11th a number of announcements of candidates have already been made and still others are talked about. G. L. Stice, candidate for Republican nomination for sheriff, was the first to announce himself and then came W. H. Weatherford as a candidate for the Democratic nomination for the same office.

During the past week Sheriff Grant Gaff has announced that he will seek the Republican nomination for assessor and treasurer. V. R. Riley is an avowed candidate for the office of sheriff on the Republican ticket, as is Henry G. Strawn.

Thus far the only candidate for county judge on either ticket is W. L. Armstrong, who seeks the Republican nomination. For some months past there has been rumor that Charles S. Black would be a candidate for sheriff but recently this was denied and intimation given that he will seek nomination for assessor and treasurer.

As indicated, thus far there seems to be more activity among the Republicans than in the Democratic party.

EASTER SPECIAL

We place on sale today 250 lbs. hand dipped chocolate creams with nut centers at the attractive price of 33 cents the lb. This is a good value.

MERRIGAN'S.

PUPILS RECITAL.

HIGH SCHOOL SCHEDULE

CONDUCTIVE TO WORK

Talking about the hours for high school students made necessary by the recent fire, one of the faculty said yesterday that the quality of work done by the students is really better than it was before. "Strange as it may seem," he said, continuing, "the change in hours really seems to have been helpful to many of the students. Now they begin their school session at 1 o'clock and continue until 6, five hours of uninterrupted work."

"The pupils have all of the morning hours for study and their evenings are free if they choose to follow that plan, or they can do their studying in the evening and have all the mornings for other work. Probably the present schedule would not be considered best under normal conditions but certainly the results are excellent now in the high school and I understand this is also true with reference to the eighth grade."

YOU WON'T MAKE A MISTAKE IN TRADING AT HERMAN'S VERY RELIABLE LADIES' READY TO WEAR CARMENTS AND MILLINERY STORE FOR YOUR EAS-TER REQUIREMENTS.

RED CROSS QUOTA

FOR APRIL RECEIVED.

Miss Grace Carter of the Red Cross Shop yesterday received the April quota of work asked for from the Jacksonville Red Cross society. The assignment calls for 20,854 compresses of surgical dressings. With such an allotment to the Society, means that they are going to need quite a bit of help to finish this in the required time. It is especially desired that all those who can come and give part of their time to this work will respond as soon as possible so that the quota may be filled. The Society is proud of the past record they have maintained in more than filling their quota and always in less than the required time. They are desirous of keeping such a fine record.

SPECIAL FOR EASTER

Fresh strawberry ice cream.

Order early.

Our enemy is desperate, realizing
that he faces ruin unless he breaks
thru the wall of the allies to Paris.

Madam Schuman-Heinke is U. S.
A. all right. She refuses to speak
or sing in German and has three
sons in the American army.

Pershing has made a trip to Paris
to tender the services of all American
troops in France to the commanding
officers for service in the battle front.

There is no question as to what
the present battle is about—it is
the beginning of the decision as to
whether civilization shall live and
thrive or revert to autocracy.

Ice cream makers of the country
have been notified they can only use
80 per cent of the sugar formerly
required in its manufacture. Sugar-
less ice cream would be healthy.

In the great battle now raging
both Paris and London can hear the
roar of the cannon. It is as if Chi-
cago and St. Louis were listening to
a fight mid-way. The allied people
can more nearly realize the actuality
of the fighting.

While the Germans have gained
on the west front they have not
broken thru and their losses have
been very great. The ground they
have taken cannot be held unless
they are given time to fortify.

Judge Thompson, the opponent of
Lenroot in the primary in Wisconsin,
has come out squarely in support
of the latter. This is as it should
be and will go a long way toward as-
suring success.

OUR PRIVATE WIRES.

(Chicago Tribune.)
Some months ago the report that
a high official, a man very close to
the president, had been convicted of
treason and secretly executed, sprang
apparently from nowhere and spread
over the country. It was not carried
by any newspaper. It came over
private wires of brokers and business
houses, and was solemnly vouched
for as true.

Of course this vicious rumor was
a canard, which finally the news-
papers were compelled to notice and
emphatically to deny. But this is
not the only instance of the rumor-
mongering which amateur purveyors
of gossip spread abroad. In most
cases the rumors are comparatively

harmless, as in the case of the yarn
about Monday that the crown prince
had been captured and that great
masses of German troops had been
captured.

We would warn the public against
taking "the private wire" as a reliable
or even plausibly source of news
about the war. It is the village gos-
sip and marplot raised to the nth
power and places no check upon
nonsense. We suggest also it be com-
pared to the regular news service of
the press, when the reader is inclined
to abuse the latter for inaccuracy or
irresponsibility. Probably only news-
papermen and psychologists know
how difficult is the work of verifying
news, weeding out rumor and re-
porting facts. But the newspaper,
tho it must often fail, at least has
a highly developed organization,
trained and experienced. Some idea
of what it accomplishes for the reliable
information of readers can be
gained by comparing its product to
the rumors that come with solemn
claims of authentication over the
private wires. In private letters of from
other amateur sources of alleged
news.

HEBREWS TO REGAIN
PALESTINE.

The press at various times has
commented upon the return of the
Jews to Palestine as one of the most
dramatic events of the great war. It
is a matter of world wide interest
that a commission representing the
Jews of England, France and Russia
has come to Palestine to restore that
city and to set up a Jewish state. It
is proposed to establish there a new
Zion devoted to development of the
Hebrew people and religion and it is
expected to have a domain where
freedom and social justice prevail.
The proposed action is in line with
the promises made by the British
government. When the character
and stability of the men who are to
supervise this rehabilitation after a
period of 2,000 years is considered,
there does not seem to be anything
idealistic about the plan. Their
purpose will probably be achieved.

With different leaders and differ-
ent people to deal with this Zion city
might be looked upon as an experi-
ment but in the light of history and
remembering the ideals of this
people, the unprejudiced will look
for the building of a city where Jew-
ish orthodox ideals may be realized.

MORE MEN FOR ARMED FORCES.
The senate has voted favorably
upon the law requiring the registra-
tion of Americans who have become
21 since May 5, 1917. This law
would immediately make 700,000
additional young men available for
the draft law and it is probable that
the age limit will also be extended
in order to make more men available
for army service. News from the war
front, while not of a kind to bring
alarm as to the general final out-
come, does indicate that American
preparations must be pushed with
greater force than has marked even
the excellent efforts of past months,
and that there is the certain need
of a greater armed American force
on European soil.

MEATLESS DAYS SUSPENDED.
The meatless day rule of the food
administration has been suspended
for thirty days, which affords the
best kind of proof both that the rule
has been obeyed and that the sugges-
tion for greater production of beef
and pork has followed. Suspension
of this and other food administra-
tion rulings as conditions make
them possible, will help convince the
country not only of the earnest pur-
poses of the administration but the
practical way in which it operates.
Saving food for the allies must
have first consideration and the ad-
ministration must also show its
thought for the convenience and
comfort of Americans. It will not
be difficult to enforce the rule again
when it becomes necessary, for the
organization is perfected and the
various means of publicity keep the
public constantly in touch with food
administration rulings.

THE HIGH SCHOOL PROBLEM.

The discussion of the high school
question at the meeting of the Rotary
Club yesterday was of a very profit-
able kind. The suggestion by Pres-
ident Harker that the present site of
the high school building was inad-
quate, no matter whether the new
building is at Jacksonville or a com-
munity enterprise, received general
approval.
The high school has in the past
years come to be considered the
people's college and there is less ob-
jection to the expenditure of money
for the development of such an in-
stitution than there is for almost any
other public project. Although highly
developed high school might be pre-
sented to do at least some of the
work done in the beginning years
of a college course, it is noteworthy
that both Dr. Harker and Dr. Ram-
mekamp yesterday spoke a favor-

able word for development of high
school facilities. Possibly the ex-
planation is found in Dr. Harker's
statement that "Education is bene-
ficial to education," meaning doubt-
less that the better and larger the
high school the greater the local in-
terest in all educational institutions
and affairs. No matter what plan
of high school building is determined
upon, all can agree that one of the
first considerations is speed, speed,
speed.

Rippling Rhymes
By WALT MASON

THE BLITHE SPIRIT

Oh, Monday may be wheatless,
and Tuesday may be meatless, but
I'll be happy still; if I can swat
the foeman by skipping my abdomen,
I'll do it with a will. The luscious
ham and bacon by me will be forsaken,
if that's the proper move; I'll
cut out red meat dishes, and feed on
bony fishes, and chortle while I
hoove. That gent is not a winner
who kicks because his dinner is shy
of pork or beef, who eats his wheat-
less ration, and grumbles of priva-
tion, and airs a lot of grief. Some-
day perhaps we'll suffer; our diet
may be tougher than we have ever
known; before the war is ended we
may think shavings splendid, and
gnaw old Towser's bone. We may all
get together to eat a side of leath-
er, before we end the war; our per-
sons lank and hollow, we may be
glad to swallow some boiled excelsior.
Let's not pretend we're mar-
tyrs, until we chew our rations and
eat our Sunday shoes; let's eat the
scheduled vittles, and show no jots
or tittles of grouches, dumps or
blues. My health has been improv-
ing since I first started hooving, and
eating simple fare, I have a better
figure, and I am full of vigor, my
whiskers full of hair.

THIS DATE IN HISTORY

March 30, 1856—Navigation on the
Illinois River fully opened. Boats
arrived in Peoria from St. Louis.

EASTER SPECIAL

We place on sale today 250
lbs. hand dipped chocolate
creams with nut centers at the
attractive price of 33 cents the
lb. This is a good value.
MERRIGAN'S.

CHURCHES TO OBSERVE
NEW HOURS

At the Friday meeting of the
Ministerial association it was voted
to hold Sunday service in accordance
with the new time schedule which
will be effective Sunday morning at
2 o'clock. Services will be held as
follows: Sunday school at 9:30 a.
m.; morning worship 10:45; young
people's service 7 p. m.; evening
service 8 p. m. Those who attend
church tomorrow and on other Sun-
days during the coming months
must remember that the services
are all scheduled to occur one hour
earlier than has been true in the
past.

Rev. and Mrs. Albert L. Wood of
Leavenworth, Kans., who have been
guests for several days past at the
home of Mrs. Jane K. Wood of Dun-
can Place, will leave this morning
for Carlinville to make a brief visit
with Rev. and Mrs. W. S. Phillips.

Mrs. S. F. Hohman of northeast of
the city has received word of the
death of her brother, James Self at
Gary, Oklahoma, in an automobile
accident. Particulars of the death
have not yet been received. Mr. Self
is survived by his wife and four
children, Paul, Bessie, John and
Clara.

Richelieu coffee. Douglas.

STILL DEADLOCKED.

Peoria, Ill., March 29.—The Re-
publican judicial convention off the
fifth supreme court district adjourned
tonight until next Thursday after-
noon. Still deadlocked, the 627th
balot, taken just before adjournment
stood: Eldridge, 21; Stone,
18; Graves, 16.

MEREDOSIA BAY
IS FISH PRESERVE

Only Hook and Line Can Be Used at
This Resort—Fishery Companies
Protest in Vain.

Those interested in the fishing in-
dustry in a wholesale way in Mere-
dosia are greatly disturbed by the
fact that Meredosia Bay has been
designated as a fish preserve. The
legal notice to this effect was pub-
lished in the Meredosia Budget un-
der authority of Charles Adkins, di-
rector of agriculture and Ralph F.
Bradford, chief game and fish war-
den. Since this order has gone into
effect it is now unlawful to seine in
the bay and only such fish can be
removed from the water as are
caught with hooks and line.

There are three principal firms en-
gaged in the fish business at Mere-
dosia, the McLain Fishery, Meredos-
ia Fish Co., and the Edlin Fish Co.
These firms have been in the habit
of seining in the bay each year and
shipping carp so caught to New York
and other eastern markets. The
firms are said to have been equip-
ped to the value of \$4,000 or
\$5,000 but they cannot now use it in
the bay. They presented their case
before the department at Springfield
but the state government insisted
that the original order will stand.

It is said to be the purpose of
the department to seine the bay for
fish to be used at the state institu-
tions or to be sold for the benefit
of the state. Statistics show that
practically 90 per cent of the carp
marketed in this country come from
Illinois river. This is only one of a
number of orders issued from the
state department seeking to preserve
the benefit of the state at large.
Fishery companies naturally are
greatly opposed to the action taken
and do not believe that their invest-
ment rights have been fully consid-
ered.

FOR EASTER DINNER
Choice beef, pork, veal or lamb
WHITE PIG MARKETFRANKLIN FARMERS
IN CONFERENCE

Seventy Five Attended Meeting Held
Friday Night—County Agent Ken-
dall Made Address.

Acting under call of M. A. Van
Winkle representatives of Farmers
club held an enthusiastic meeting of
farmers at Olinger's hall in Franklin
Friday night. Charles Gibson was
chairman, and he first called upon
C. S. Black, president of the Farm-
ers club, for remarks and afterward
on G. B. Kendall, county agent who
made the principal address.

Then came a number of informal
talks and a general conference on
farm subjects. Seventy five farm-
ers were in attendance. Among var-
ious speakers were W. N. Luttrell and
James Kenney. When the subject of
farm labor was considered it was
decided to appoint a local committee
to serve as a clearing house in con-
nection with the work of Mr. Ken-
dall, who is the county labor ad-
ministrator. This Franklin commit-
tee includes Charles Gibson, M. A.
Van Winkle, F. M. Spires, S. J.
Camm and William Wells.

Mr. Kendall and Mr. Black were
accompanied to Franklin by F. J.
Blackburn and H. J. Rice. Mr. Ken-
dall in his address talked about
spring wheat and expressed the op-
inion that it is now too late to try
out wheat this year. In a normal year
he would not advise the sowing of
spring wheat this far south but took
the ground that farmers should in
these abnormal times be willing to
plant a few acres with the hope of
increasing the sum total of wheat
production.

Hog cholera was another subject
discussed at some length. Mr. Ken-
dall frankly taking the ground that
there is no certain cure for hog
cholera but that the results obtained
from vaccination are sufficient to
warrant this system. The seed corn
situation was considered at some
length and facts affecting the whole
state were presented. Reasons were
given why it is important not only
to individual farmers but to the
whole country for them to take es-
pecial care with seed corn this year,
and to use more than the ordinary
method in making certain that the
seed corn supply is of the right ger-
minating quality.

The county agent does not antici-
pate that the labor situation in this
county will be as acute as in some
others but outlined the general plan
he has for keeping farmers in
touch with farm workers and bring-
ing about co-operative effort along
this line so far as possible.

COMMUNITY HIGH
SCHOOL PETITION

Document Has Been Signed Asking
County Superintendent to Call an
Election.

A petition addressed to H. H. Vas-
concellos, county superintendent of
schools, was circulated by W. B.
Rogers and will be presented today.
The petition asks the superintend-
ent to call an election on the ques-
tion of a community high school.
The law requires that such an elec-
tion shall be held if a petition is pre-
sented in proper form with the names
of 50 legal voters.

Unless for some reason the super-
intendent does not think the propo-
sed district is feasible an election
will be called, and if the superin-
tendent does not take this action
the petitioners have the right of ap-
peal to the state superintendent of
public instruction. It is proposed in
this petition to include Jacksonville
and an area of about five miles in
each direction within a community
high school district.

SHOED PASSION BY PICTURES

A series of stereoscopic views of
the Passion play were shown at Mt.
Emory Baptist church Friday even-
ing to a large audience. Rev. E. L.
Scruggs operated the picture ma-
chine and the lecture was delivered
by Mrs. Scruggs.

Social Events

Woodson Christian Church
Held Missionary Tea.

The ladies of Woodson Christian
church held a missionary tea Friday
afternoon with Rev. and Mrs. W. H.
Oldham at the Christian church par-
sonage. There was a good attendance
and the afternoon proved one of
much pleasure. The exercises open-
ed with a song, which was followed
by prayer by the Rev. Mr. Oldham.
A paper on "The Efforts for the
Negro in the United States," was
presented by Mrs. Jessie Culp. "Obliga-
tions of the Religious Leaders," was
presented with Mrs. R. R. Jones
as leader and a general discussion
followed. A vocal duet was given by
Mrs. R. R. Jones and Mrs. Nettie
Ezard and one by Misses Maurine
and Eloise Self. Miss Bernice Henry
gave a recitation. A social hour fol-
lowed and refreshments were served.

South Side Circle Met

With Mrs. Ollie Parker.
Mrs. Ollie Parker was hostess to
the South Side Circle at her home,
206 West College street Friday af-
ternoon. Mrs. T. H. Buckthorpe was
in charge of the program. The sub-
ject was "Jacksonville and Art." A
short story the "Gold Hat," also was
presented. A social hour followed
during which the hostess served re-
freshments.

Will Celebrate
Wedding Anniversary.

Today will witness in Winchester
an event not often duplicated, the
64th wedding anniversary of Mr.
and Mrs. Peter Obermeyer and it is
the intention to celebrate the event
with all the children and succeeding
generations present as far as possi-
ble. Mr. Obermeyer, a native of
Bavaria and came to this country in
1852 and two years later married
Lucinda E. Beasley whose entire
life has been spent in the capital of
Scott county.

Five children were born to the
young couple and then came the
civil war and the father felt it to be
his duty to enlist which he did, serv-
ing more than three years in the
Army of the Tennessee under the
renowned Gen. Sherman, so idolized
by his men.

After his return from the war five
more children were born and a few
years ago all gathered at the family
home though since that time one,
Mrs. A. C. Smith of Winchester, has
died. At the reunion mentioned all
but one slept under the roof of the
old homestead.

The children living are Mrs. A. H.
Owings, Litchfield; Mrs. H. A. Mc-
Keene, Springfield; Mrs. H. I. Run-
ham, Denver; William F., Charles B.
and Anton B., all of Chicago; Dr. A.
E. of Arcadia; J. A. of Jacksonville;
and R. D. of Kansas City. The sec-
ond generation has not emulated the
example of the parents as there are
but twenty grand children, while
there are thirteen great grandchild-
ren and one great great grand-
child. The representatives of these
five generations are all males. Peter,
of Winchester; William F. of Chi-
cago, second; C. A. of Alexander,
third; Clifford E. of Alexander,
fourth, and Charles Allan of Alexander,
fifth.

It is the intention to have a pic-
ture of these five generations made
and it will be one of much interest.

Mr. Obermeyer is 84 years old and
his wife 80 but they still enjoy good
health and are likely to be with the
loved ones for a good while to come.

Entertain Club.

Miss Lela Roberts of Case avenue
entertained members of the Kill
Cave club at her home Thursday
evening. A business session was fol-
lowed by a social time and the oc-
casion was one of very great
pleasure.

EGGS FOR RED CROSS.

Please leave your eggs for the
Red Cross at the Post Office this
week.

FORMER RESIDENTS HERE

The following from the Hunting-
ton Park California Signal will be of
interest to Jacksonville because of
the fact that Mr. and Mrs. DeLapp
were former residents.

Mrs. Willhite's Pink Tea.

Mrs. James Lee Willhite was hos-
tess at a beautifully appointed pink
tea on Wednesday afternoon at her
home, 149 South Seville. The house
was exquisitely decorated with a
profusion of peach blossoms and
butterflies. A pink letter "T" was
pinned on each guest as they entered,
about 40 ladies being in attend-
ance.

A contest was held in which the
ladies were required to darn animals
on patch-work without pattern or
thimble. The first prize went to
Mrs. Murry Brown and the second
prize to Mrs. B. H. DeLapp. The
patch work will be bound into a
quilt and later raffled off for the
benefit of the club.

The smallest vocalist in Hunting-
ton Park, Master Brantley DeLapp,
favored the ladies with a solo. "If I
Only Had a Sweetheart," accom-
panied by his mother on the piano.
He was heartily applauded and re-
sponded to an encore.

Refreshments appropriate to the
occasion were served and the affair
proved to be a highly successful one.
Mrs. Willhite proving herself to
be a most charming hostess.

The tea was given as a benefit for
the Liberty Bond purchased by the
Woman's Improvement Club and was
the seventh spoke in the wheel of
many enjoyable occasions given for
this purpose.

COUNTY CANDIDATES GETTING NUMEROUS

Indications Point to Spirited Primary Contests This Year—Some Announcements Already Made.

Indications are for spirited primary contests for all county officers this year. Tho the primaries do not come until Sept. 11th a number of announcements of candidates have already been made, and still others are talked about. G. L. Stice, candidate for Republican nomination for sheriff, was the first to announce himself and then came W. H. Weatherford as a candidate for the Democratic nomination for the same office.

During the past week Sheriff Grant Gaff has announced that he will seek the Republican nomination for assessor and treasurer. V. R. Riley is an avowed candidate for the office of sheriff on the Republican ticket, as is Henry G. Strawn.

Thus far the only candidate for county judge on either ticket is W. L. Armstrong, who seeks the Republican nomination. For some months past there has been rumor that Charles S. Black would be a candidate for sheriff but recently this was denied and intimation given that he will seek nomination for assessor and treasurer.

As indicated, thus far there seems to be more activity among the Republicans than in the Democratic party.

EASTER SPECIAL

We place on sale today 250 lbs. hand dipped chocolate creams with nut centers at the attractive price of 33 cents the lb. This is a good value. MERRIGAN'S.

PUPILS RECITAL.

Miss Helen McCurley, pianist, assisted by Byron Carpenter, baritone, both of the conservatory, will give a program in Recital hall next Tuesday evening, April 2, at 8 o'clock. The public is cordially invited.

HIGH SCHOOL SCHEDULE CONDUCTIVE TO WORK

Talking about the hours for high school students made necessary by the recent fire, one of the faculty said yesterday that the quality of work done by the students is really better than it was before. "Strange as it may seem," he said, continuing, "the change in hours really seems to have been helpful to many of the students. Now they begin their school session at 1 o'clock and continue until 6, five hours of uninterrupted work."

"The pupils have all of the morning hours for study and their evenings are free if they choose to follow that plan, or they can do their studying in the evening and have all the mornings for other work. Probably the present schedule would not be considered best under normal conditions but certainly the results are excellent now in the high school and I understand this is also true with reference to the eighth grade."

YOU WON'T MAKE A MISTAKE IN TRADING AT HERMAN'S VERY RELIABLE LADIES' READY TO WEAR GARMENTS AND MILLINERY STORE FOR YOUR EASTER REQUIREMENTS.

RED CROSS QUOTA FOR APRIL RECEIVED.

Miss Grace Carter of the Red Cross Shop yesterday received the April quota of work asked for from the Jacksonville Red Cross society. The assignment calls for 20,854 compresses of surgical dressings. With such an allotment to the Society means that they are going to need quite a bit of help to finish this in the required time. It is especially desired that all those who can come and give part of their time to this work will respond as soon as possible so that the quota may be filled. The Society is proud of the past record they have maintained in more than filling their quota and always in less than the required time. They are desirous of keeping such a fine record.

SPECIAL FOR EASTER

Fresh strawberry ice cream. Order early.

MULLENIX & HAMILTON

Norman Campbell of the vicinity of Merritt was a city caller yesterday.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr.
Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound infused with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

A RAW, SORE THROAT

Eases Quickly When You Apply
a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain.

Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frostbitten feet, colds on the chest (it often prevents pneumonia). Nothing like Musterole for croupy children. Keep it handy for instant use.

30c and 60c jars; hospital size \$2.50.

HAVE YOU ORDERED YOUR WINTER'S COAL?

Ordinarily we would not ask such a question in March. This year things are different and the early coal buyer is the one who will get the coal. Heed the advice of the fuel administration is our advice.

Hackett Team Wins Tournament.

Playing a very consistent and cool headed game of basketball from the first game and thru the finals John Hackett's basket tossers romped away with the David Prince School championship yesterday afternoon, and last night in three well played games.

The first game between Lewis and Arter was an easy victory for Lewis and it was only by lucky shots that Arter's five managed to get that they were able to hold the score to a 11 to 6 win for Lewis.

The second game between Hunt and Hackett proved to be a very close one and if Hunt had not been removed from the game on account of personal and play the last five minutes with four men there would have been an overtime game. The final score was Hackett 9, and Hunt 6.

The third game of the afternoon was another hair-raiser and the final outcome was not decided until the final minute of play when Goebel shot a long one from his favorite spot on the floor and the game was his 14 to 11.

The only walk away in the whole tournament was the next and fourth game between Andrew and Madden and was won in easy style by Madden 17 to 3. This brought the team up to the semi-finals and they were played off immediately.

Hackett's and Lewis' fives were the first on the card and the one man team of the latter had to bow to Hackett's five and take the opportunity of playing for third place with the loser of the next game, which proved to be Goebel. The final outcome of this game was 14 to 11 with Hackett on the long end of the score.

The next game between Madden and Goebel was the hardest fought of any of the first six and was won by Madden by long shots from the center of the floor, score 13 to 10. This matched Madden and Hackett's Quintettes for the finals which were to be played in the evening schedule.

Evening Games.
The first game of the evening was a thriller and some of the most wonderful basket shooting ever seen on the Y floor was pulled off by "Shucks" Goebel, he making 13 field goals during the game. Lewis was the star for his team making all of the 14 points.

The big game was now ready to be played. Hackett's warriors were the first on the floor and surprised every one by having on new Jerseys and caps. The first works were started by Madden who after a few minutes play shot one of his usual long shots and repeated in another minute from the same spot. The Hackett five took a brace here and tied the score but it was broken in a few seconds by a pretty one by Nunes. Then for 8 minutes neither side could score and it looked as tho the score would be very low but in the last five minutes of the half both sides got their eye on the basket and after several ties were made and broken the half ended Madden 11, Hackett 9.

The second half was a different story. Madden's bunch lacked the pep and punch—while Hackett's men kept plugging along and Hunter led the game down with five field goals, all while he was closely guarded. It was a case of the most endurance winning and Hackett's men seemed to be in the best shape. The final score stood 34 to 15 in favor of Hackett.

JOHN GERMAN BEFORE U. S. COMMISSIONER

Morgan County Man Charged With Disloyalty Utterances—Bound Over to Federal Grand Jury

John L. German, who resides on his farm six miles southwest of Jacksonville, was taken to Springfield yesterday by Deputy U. S. Marshal Moore. He is charged with making pro-German utterances in violation of the espionage law and was held to the federal grand jury after an examination before a U. S. commissioner.

The marshal came from Springfield Thursday night and accompanied by Sheriff Graff went to the home of Mr. German. He expected to take German back to Springfield with him that night but following the wishes of the family postponed going until Friday morning. Statements made by German in several instances have resulted in warnings being given him by the local exemption board and by federal officers, but it seems that the objectionable attitude has continued.

German is alleged to have said that President Wilson was responsible for the sinking of the Lusitania that there are enough Germans in this country to defeat the U. S. army, and remarks of like class.

Fresh strawberries frozen in pure Jersey cream, will make a pleasing dessert for Easter Sunday dinner. Order from MERRIGAN'S

COMMUNION SERVICE FOR CAMP LOGAN

To the Journal:—
While with the soldiers at Camp Logan, Houston Texas it was my privilege to preach the Communion sermon at the first Union Communion Service held in the Camp. I had abundant opportunity to determine the value of such a service in an Army camp. It was one of the most impressive services I have ever attended. The soldiers were interested and the vast majority present partook of the emblems.

Three churches united in this service, the Methodist, Presbyterian and Christian. We were greatly handicapped because we had to bring from different parts of the city the individual Communion sets for this service. I promised the men and the soldiers that when I returned to Jacksonville I would interest the citizens in the purchase of an individual Communion Set for Camp Logan. I have just procured the price list of a Communion set suitable for conditions in an Army Camp. I will cost \$32.50 including express charges to Camp Logan.

The Mothers Association is interested in this effort and their president, Mrs. Charles Hopper will receive the contributions for this Communion set, such contributions may be left at the Hopper Shoe Store. Each contribution will be acknowledged thru the city papers, and these names will be sent with the Communion set to Camp Logan. I am sure you are interested. Leave your contribution at Hopper's shoe store immediately. When I felt the Camp they were contemplating one Union Communion Service each week, going to a different Y building each Sunday. We want to have this set in Camp Logan for the first Sunday in April.

M. L. Pontius.
Jacksonville, Ill.
March 28th, 1918.

Richelieu sweet pickled Fruits. Douglas.

Cough Nearly Gone in 24 Hours

That's the usual experience with this honest cough syrup. Costs little—try it.

Anyone who tries this pleasant tasting home-made cough syrup, will quickly understand why it is used in more homes in the United States and Canada than any other cough remedy. The way it takes hold of an obstinate cough, giving immediate relief, will make you regret that you never tried it before. It is a truly dependable cough remedy that should be kept handy in every home, to use at the first sign of a cough during the night or day time.

Any druggist can supply you with 2½ ounces of Pinex (60 cents worth). Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 65 cents and you have a full pint of the most effective remedy you ever used.

The quick, lasting relief you get from this excellent cough syrup will really surprise you. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and eases your cough stops entirely. Splendid for bronchitis, croup, whooping cough and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, and is famous the world over for its healing effect on the membranes.

To avoid disappointment ask for "2½ ounces of Pinex" with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

ATTORNEY GENERAL HELP IN LOCAL LIQUOR CASES

Investigators Have Been In City at Various Dates Since March 15th—Warrants Issued.

Assistant Attorney General C. W. Middlekauf was in Jacksonville yesterday to take general direction of a number of arrests made for violation of the anti-saloon law. Phil Grant and Clarence Clark were both arrested, warrants being sworn out by Mr. Glass, one of the investigators for the department. Other warrants have been issued. It is understood the men will be prosecuted under the criminal law and that possibly civil action may later be taken in accordance with the procedure followed by Attorney General Brundage and his assistants in East St. Louis and a number of other cities where their services have been secured.

It is likely that the cases here will be heard in the circuit court, as has been the custom in most instances. Mr. Middlekauf was in the city six months ago at the request of State's Attorney Robinson and just before his present illness Mr. Robinson was in consultation with the attorney general's office in Springfield. The local situation was also taken up with the attorney general by J. E. Martin, commissioner of health and safety, some months ago and the arrests made yesterday were by the police department. Investigators for the attorney general's office it is understood, have been in Jacksonville at various times since March 15 and are said to have evidence against the liquor law violators of a conclusive kind.

GERMAN DRIVE IS HALTED

(Continued from Page 1.)

will fall, or where, is as yet sealed in the minds of the men directing the progress of military affairs for the allies, but seemingly it must come soon, if it is to be effective. The German advance now is converging on Amiens the railroad center of northern France which is known to be the ganglion from which run the main communications of the British armies in northern France. The railroad from Paris to Amiens was cut by the Germans at Mont Didier, but this would not be vital if Amiens itself is held by the allies.

The German thrust in front of Arras, while, according to Berlin it netted thousands of prisoners has apparently come to a stop before Orange Hill, Telegraph Hill and the Labyrinth strongholds held by the British in this sector. Repeated mass attacks by the Germans on these points have resulted in terrible losses to them without, however, breaking the line and causing more than a straightening of the front before Arras.

Claim 70,000 Prisoners

A German official statement declares that since the offensive began 70,000 prisoners and 1,100 guns have been taken. It is interesting to note that after seven days of fighting at Ver-

dun, the Germans claimed they had captured 10,000 men. Taking into consideration the comparative magnitudes of the two struggles, the German claims for captures may be considered accurate.

The French reports are silent on the progress made on the line from Lassigny to Noyon except to say that the attack is still continuing and that fresh troops are arriving in this region. Nothing has developed to show that this is more than a purely local engagement fought for the purpose of preventing the Germans from reaching the Oise river and having this stream as an additional protection to the left flank.

While it has been officially reported from Rome that Austrian divisions from Russia and Galicia, numbering approximately 480,000 men have arrived on the Italian front there have been no developments there indicating where the expected blow from the Teutons will fall.

A new advance by the Germans in Russia is noted in London despatches. This movement is in the neighborhood of Kerst, 300 miles south of Moscow. An official Austrian statement denies that the Bolshevik forces have captured Odessa the great Russia port on the Black Sea.

Strawberries. Douglas.

AGREEMENT REACHED BY LABOR PLANNING BOARD

Governing the Relations of Capital and Labor for the Duration of the War—Terms are not Made Public.

Washington, March 29.—An agreement governing the relations of capital and labor for the duration of the war, which will be made the basis of a national labor policy, was reached here today by the labor planning board after sessions lasting more than a month.

Terms of the agreement will not be made public until approved by Secretary of Labor Wilson, charged by President Wilson with the formulation of a labor administration, but it was learned tonight that the main purpose of the conference—the adoption of a plan to prevent strikes—had been achieved. Labor representatives, it was said, pledged the members of unions engaged in war work not to strike until after government investigation of differences between the workers and their employers.

This was taken to mean that all disputes would be put in the hands of mediation boards for settlement, an arrangement long sought by government officials who have to do with production of war materials. Two important points on which a full agreement is understood to have been reached are the questions of the open or closed shop and that of restriction on output. Both sides, it was said agreed that there should be no discrimination against union or non-union labor and that the so-called closed shop should remain closed and the open shop remain open until it became impossible to fill shops with workers without putting unorganized workers in union shops or union men in open shops to make up deficiencies.

The unions, according to the terms of the agreement will be permitted to proselytize and will not be restricted in organizing labor. In return for assurance on the part of labor that no restriction will be put on the output of union men, capital has agreed, it is understood that wages paid for piece work shall not be reduced during the war. This arrangement was hailed by government officials as a long step forward as a great amount of complaint has arisen because of restrictions unions have put on the amount of work that a man may do. The labor planning board comprised twelve members, five named by the American Federation of Labor and five by the National Industrial Conference board. Each side named men to represent the public. Representatives of capital named former President Taft and labor delegates Frank P. Walsh. These two men alternated as chairmen of the board.

TAKE STEPS TO ENFORCE LAW. Ottawa, Ont., March 29.—The assault on Dominion police officers by a mob in Quebec last night when an exempted military service man produced exemption papers resulted in a conference today between Prime Minister Borden, the minister of justice and the chief of the General Staff who decided to take steps to enforce the law.

SICK ROLL LOWER. Rockford, Ill., March 29.—The sick roll at Camp Grant base hospital was lower today than it had been at any other time since Jan. 6. The number of patients today is 583.

A TEXAS WONDER

The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame back, rheumatism and irregularities of the kidneys and bladder in both men and women. Regulates bladder trouble in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment and seldom fails to perfect a cure. Send for sworn testimonials. Dr. E. W. Hall, 2926 Olive St., St. Louis, Mo. Sold by druggists.—Adv.

TODAY'S CASUALTIES

WASHINGTON, March 29.—Thirty-two names were contained in today's casualty list issued by the war department. The list was divided as follows:

Killed in action, 1; Killed in accident, 2; Died of wounds, 2; Died from diseases, 5; Died from other causes, 1; Wounded severely, 1; Wounded slightly, 20.

The names of nine officers appear on the list. Captain Ira G. Penberthy, died from an accident and Second Lieutenant Louis H. Lathrop died of tuberculosis. The slightly wounded include Major A. Rasmussen, Captain Albert Florian, First Lieutenant Charles C. Crouse, First Lieutenant Howard T. Havron, First Lieutenant Clarence R. Huebner, First Lieutenant John B. Knutt, First Lieutenant William E. Rigney.

KILLED IN ACTION.

Private Dell Alderman. DIED OF ACCIDENT. Captain Ira G. Penberthy. Private Ben Pryor.

DIED OF DISEASE.

Second Lieutenant Louis H. Lathrop, tuberculosis. Sergeant John J. Connolly pneumonia.

Private Perry Dodd, pneumonia; Paul Richard Hecht, pneumonia; Raymond F. Solomon, bronchitis.

DIED OF WOUNDS.

Corporal Albert W. Williams. Private Thomas P. Minogue. DIED OF OTHER CAUSES. Cook Henry Ehlert.

WOUNDED SEVERELY.

Private William J. Haralson.

WOUNDED SLIGHTLY.

Major A. Rasmussen. Captain Albert Florian. First Lieutenants Charles C. Crouse, Howard T. Havron, Clarence R. Huebner, John B. Knutt, William F. Rigney.

Sergeant Major Harvey M. Crowe. Sergeant Albert Sorenson. Corporal Roy Taylor.

Privates Logan Brouss, George E. Garrison, Francis Higbee, William H. Gephart, Wayne Perry, William H. Patrick, Stanton, Leonard M. Stewart, Frank A. Uffelman, Charles E. Walker.

Richelieu coffee. Douglas.

TEACHERS CONCLUDE WINCHESTER MEETING

Scott County Institute Largely Attended—Other Items of Interest From Winchester and Vicinity.

Winchester, March 29.—The sessions of the Scott county teachers' association closed here with the evening program tonight. During the two days in which the teachers were in session there was a large attendance and the excellent programs offered kept the interest and attention of all. The addresses "Making Democracy Safe for the World" by Robert C. Moore of Carlinville on Thursday evening and "Democracy and the World War" by T. P. Dudley, State Council of Defense, Friday, were exceptionally fine.

Engagement Announced.

The engagement of Miss Katherine Brengle, youngest daughter of Dr. and Mrs. George Brengle of Winchester was announced today to Lieut. LeRoy S. Tate, Q. M. C. of Chicago, thru the medium of unique cards sent to a number of friends. The cards of Miss Brengle and Lieut. Tate were tied together with red, white and blue ribbon. The wedding, which will take place in the near future, promises to be one of the social events of the season, as Miss Brengle is very popular here and well known in society circles in Jacksonville as well as in Winchester.

News Notes.

Mr. and Mrs. James Hart left Thursday afternoon for Camp Taylor to visit their son Frank who is stationed there.

J. C. Neat who was detained at his home Thursday on account of illness was able to be at the bank today.

Mrs. A. P. Groat, Mrs. J. C. Groat and Miss Mary Woodall left Thursday for Springfield, where Miss Woodall will undergo an operation to have her tonsils removed.

Dr. H. H. Fletcher and son Wayne were passengers to St. Louis Thursday where they went to get their car. They returned home by motor Friday morning.

Myron Ellis of White Hall visited relatives and friends here Thursday. Robert Frost arrived home from Champaign today to spend the Easter vacation with his parents, Mr. and Mrs. E. J. Frost.

Miss Marie Cohen, R. N., of St. Louis, arrived in Winchester late tonight to care for Ruth Cline, who is still seriously ill.

Miss Frances Coultas arrived today from Galesburg to spend the week end with her parents, Mr. and Mrs. Grant Coultas.

Misses Marie Farner, Edwina Hall, Louise Bales arrived in Winchester today with Miss Maurine Mader from Millikin university at Decatur. The young ladies will be guests of Miss Mader at the home of her parents. Mr. and Mrs. Grant Mader during the Easter holiday.

Misses Mary La Rue of Jacksonville, Edna Osborne of Murrayville, Nylene Prewitt, of Warrensburg, Mo., all students of the Illinois Woman's college at Jacksonville are the guests of Miss Mildred Funk at the home of her parents, Judge and Mrs. F. C. Funk, during the Easter vacation.

AT LYNNVILLE CHURCH. An Easter service of exceptional interest will be held at the Christian church in Lynnville at 7:30 o'clock Sunday evening. The subject of the evening sermon will be "The Cross Beside the Flag." The entire service will be along patriotic lines and all members and friends are urged to be present.

J. J. Elmore of Ashland was a Jacksonville business visitor Friday.

ALLIED AND AMERICAN FORCES IN FRANCE ARE UNDER FRENCH CHIEF

(Continued from Page 1)

hard at the juncture of the French and British lines south of the Somme and also farther south at the French sector beyond. The British are now fighting for every inch of the ground.

French Line Holding

On the French front the line is holding unshaken its threatening outlook on the German flank. The dash of the French troops in their brilliant counter-attack near Mont Didier won enthusiastic approval from General March.

"It was a great exhibition," he said, adding that an attacking foe had not only been stopped, but hurled back three miles before the headlong rush of the French.

It is from this line that officers here believe the counter drive which certainly is impending will be launched. The Germans are pushing on doggedly but they are being checked all along the front. Unless they display new force soon and compel further retirements even the German official statements will be unable to conceal the fact that they have failed to rupture the allied battle front, deeply as they may have dented it. That may be the moment for the French to strike and some officers here think a substantial American force, possibly a full army corps will share honors with the French in the movement.

American in Fine Shape

The American divisions it is believed are physically in better shape than those of any other army. They have not been depleted by casualties. They will bring to the front all the dash of new troops. For offensive operations they are in splendid shape. Their lack of complete training now would be felt more in the stern business of defense than in the dash and excitement of a forward rush. Supported by seasoned French storming troops, it is believed they would show themselves to the best advantage in the attack and observers here think the French leaders will realize that fact and take full advantage of it.

Long a Student of War

General Ferdinand Foch is of Basque origin. He was born at Tarbes in 1851, but was raised at Metz. Rather than become a German after the annexation of Lorraine, Foch preferred to return to France and help to prepare France for the struggle with Germany which he believed ultimately would take place.

He entered the Polytechnic school with the number 72. He left it the 45th of his class—a rank that was not considered as justifying hopes of a great future. He never dazzled by his brilliance, but he showed that wonders could be accomplished by application. He never ceased study, except to teach.

Foch began by mastering the strategy of the war of 1870 in its minutest details. Knowing the mentality of the Germans, he counted on their repeating in future conflicts the manoeuvres that had succeeded. He also expected them to make some of the old mistakes. In his teachings at the superior war school and in his writings he held always to the idea of an inevitable aggression by Germany, sprung with lightning-like rapidity after long premeditation, and most minute preparation—the swift thunderbolt of the opening to develop into a struggle of colossal proportions.

To parry the blow Foch said repeatedly, France must have a staff working in the same direction, practicing the same doctrines under a vigorous and audacious confidence, preserving the equilibrium of his mind and the force of his intelligence under formidable difficulties and exercising without hesitation the most resolute rights over his subordinates.

Foch foresaw Joffre as clearly as he foresaw the war of 1914 arising from the same motives as the war of 1870 and developing with the same objective—Paris. He thought he saw quite as clearly a definite issue and it would be difficult to estimate the value of the service he rendered to France by communicating his confidence to the young officers. His work at the superior war school contributed largely to the perfection of the French army which, if less "disciplined" than the German army, was held by him to be far better "educated."

Made General in 1907

The stars of a general were given Foch in 1907 and the command of the superior war school, where he left his mark as professor. Preferring a more active command, he resigned in 1912 and commanded successively the 8th and 20th army corps, and proved that he was one of the few military writers or professors who also was an efficient handler of men in the field. The war found Foch at Nancy, the headquarters of the 20th corps. His corps was attached to General Castelnau's army and he was selected to command a new army concentrating behind the center of the forces marching to the Belgian frontier to meet the Germans.

The Victory of the Marne

This army was not ready in time to take part in the battle of Charleroi, but it contributed singularly to the victory of the Marne. Foch's 120,000 men, holding the center in that struggle had before them nearly 200,000 Germans, including the Prussian guard, and at times the pressure was so great that it seemed the thin line must break. "They are so frantic in their attacks," said Foch, "it must be that things are going badly with them elsewhere. So let's hold on."

At another stage of the struggle aides came up with the disquieting news that both the right and left wings had been obliged to give ground.

"In that case," said Foch, "there is nothing to do but smash them in the center. Order up the Moors."

General Dubois, with the Moors on his left, smashed the Germans so hard in the center that the Prussian guard was thrown back upon and into the Saint Gond marshes. Von Hausen's right wing was obliged to retire in unison and Foch was able to re-establish his line. After Moroccan riflemen by three furious charges had captured the Chateau of Mondement, reports brought by ment the forces of von Buelow had left a gap between their left wing and von Hausen's right. It was by promptly profiting from this situation in massing his troops against von Hausen's exposed flank that Foch disengaged General Langle de Cary's troops on his right and contributed largely to the defeat of the German army. After the battle of the Marne, Foch was given command of a group of armies operating in the north of France and promoted to grand officer in the legion of honor. King George conferred upon him the Order of the Bath, first class.

Tall, thin, elegant—with a fine head and features—General Foch is simple of bearing but authoritative. From his gray eyes shine the intelligence and will power of a real chief.

DEATHS

Stout.

Mrs. M. Ella Stout died at 1:30 o'clock this Saturday morning at the home of her daughter, Mrs. C. P. Thompson, on West State street. Mrs. Stout had been ill for about a week with pneumonia.

Obituary notice will be given later.

SENATE RECESSES

UNTIL MONDAY.

Washington, March 29.—Taking advantage of the Easter holiday season on the senate today recessed until Monday to give the committees time to clear up accumulated work. The Overman bill giving the president wide powers to re-organize government departments for war work has the right of way Monday and a spirited debate is expected.

TWENTY-TWO ENEMY ALIENS ARRESTED.

Chicago, March 29.—Twenty-two enemy aliens were arrested today in the vicinity of the Lincoln Park Zoo. Police say the zoo neighborhood has become a favorite haunt of enemy aliens and slackers, most of whom spend their days around the monkey house studying the antics of the little creatures.

PRISONERS WILL TILL FARMS.

Chicago, March 29.—Prisoners in the Cook county jail will till Illinois farms this summer and take part in other war work if plans proposed at a meeting of Cook county judges today is adopted. Tentative plans presented to the judges will be investigated by three of the judges.

FOUND NOT GUILTY

Chicago, March 29.—A verdict of not guilty was returned today in the case of State Senator John M. Powell who is accused of a statutory offense by Miss Margaret O'Connor of Chicago, a 16 year old girl.

MANY INJURED IN KANSAS CITY RIOTS

KANSAS CITY, Mo., March 29.—Riots threatened grave peril to the city when efforts were made late today to resume street car service but national guard troops and police finally put down the disorders after many rioters had received severe injuries and numerous arrests were made.

Street railway company officials tonight withdrew all cars but announced attempts would be made tomorrow to furnish normal service on all lines, with the cars guarded by Missouri National Guards instead of police. The most serious trouble occurred at Fifteenth street and Troost avenue, a street car intersection, where a crowd estimated at 1500 wrecked a car. Police reserves were helpless and a squad of fifty guards reinforced by an armored motor car was rushed to the scene and the crowd was dispersed.

While the riot at Fifteenth and Troost was in progress another disorder broke at Ninth and Brighton streets, where a large car barn is located. The crowd there is said to have stoned cars and attacked trainmen and police guards before they were dispersed. A number of the rioters there are reported injured. Members of the Stage Hands Union were called out during the day and most of the larger theaters closed their houses pending an adjustment of the strike. Motion picture theater operators joined the strike yesterday.

LARGE INCOME CHECK

New York, March 29.—A check for \$5,500,000, the largest so far paid for corporation income and war profits taxes, has been received by Collector W. H. Edwards of the Wall Street district, it was announced today.

It was learned that the largest single check received by Collector Edwards for an individual income tax was one in excess of \$240,000.

AMERICAN WOMAN KILLED IN FRANCE

PARIS, March 29.—Miss Marion G. Crandall of Alameda, Calif., has been killed by the explosion of a shell in the "French soldier's fire" at the French front, where she was engaged as a canteen worker for the Y. M. C. A. No details of the occurrence have yet been received.

Miss Crandall was 46 years old. She arrived in France Feb. 15.

Native of Iowa.

Alameda, Cal., March 29.—Miss Marion G. Crandall, reported killed by a German shell in the "French Soldier's Fire" is a sister of George P. Crandall of this city secretary of the San Joaquin Sugar company of San Francisco. Miss Crandall was a native of Cedar Rapids, Iowa, and before coming here last summer to visit her brother she taught at St. Catherine's School at Davenport, Iowa.

She gave her address as St. Alameda, her brother said tonight because of her visit here last summer and for the reason that he is her only living relative.

LANDIS CONTINUES INQUIRY

Rockford, Ill., March 29.—Judge Landis today continued his inquiry into the Rockford Brewing Company's methods of conducting its business in dry territory.

Automobiles were kept busy throughout the morning bringing to court brewery employees, wagon drivers and customers whom Judge Landis desired to question. Stewards of ten clubs were questioned.

Whiskey and wines confiscated in the recent raids were ordered turned over to Camp Grant base hospital by Judge Landis. The confiscated beer was turned into Rock River.

CARPENTERS AT SPRINGFIELD GET RAISE

Springfield, Ill., March 29.—Union carpenters in Springfield will be given a raise of ten cents an hour in wages beginning Monday, it was announced here today. The new scale will be 65 cents an hour.

Superb Easter Perfumes

Catarrh is a Real Enemy and Requires Vigorous Treatment

Do Not Neglect It.

When you use medicated sprays, atomizers and douches for your Catarrh, you may succeed in stopping the choked-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again.

Catarrh has never yet been cured by these local applications. Have you ever experienced any real benefit from such treatment?

Throw these makeshift remedies to the winds, and get on the right treatment. Go to your drug store to-day, get a bottle of S. S. S., and commence a treatment that has been praised by sufferers for nearly half a century. S. S. S. gets right at the source of the Catarrh, and forces from the blood the germs which cause the disease. You can obtain special medical advice regarding your own case without charge by writing to Medical Director, 22 Swift Laboratory, Atlanta, Ga.

MY PLATFORM

Having been asked about my attitude about road oiling, I wish to say that I am a firm believer in improving our highways by oiling, and if elected Commissioner of Road District No. 9 I hereby pledge the residents of said district that I will donate one-half of my first year's salary to buy and apply road oil on the highways of District No. 9.

And I further promise, in the event of my election to said office, to donate said district, free of any charge, sufficient of my land on which to erect a suitable building to house the district road machinery when not in use and protect it from the weather.

If I am elected I want to give the district service—Good service—and I shall faithfully endeavor to do so.

GEORGE WOOD, SR.
Candidate for Highway Commissioner, Road District No. 9, Morgan County.

Exemption Board News

THREE VOLUNTEER AS AERO MECHANICS.
Three volunteers for enlistment were received yesterday at the office of the local exemption board. Robert Watt of Springfield, W. M. Berry of Waverly, and Glen Filson of Concord signed up for service. These men will be sent between April 8th and 13th to Bradley Polytechnic Institute at Peoria, where they will receive two months instruction in airplane machine work. At the end of this period of time they will be assigned to an aero squadron as mechanics.

RECEIVE DECISIONS FROM DISTRICT BOARD.
Only two decisions were received from the district board at Springfield Friday. The cases decided were the following:
Leo Barber, Jacksonville, placed in Class 3, Div. B, on account of dependent parents.
Otis I. Mason, Jacksonville, placed in Class 3, Div. J, on agricultural claim.

MRX EXAMINED AT COURT HOUSE FRIDAY.
Physical examination of fifty registrants in Class 1 was held at the court house Friday morning. The result of the examination is given in the list below. Unless otherwise specified, the men in the list were accepted for general service. The men examined were:
Charles Harbert, Meredosia, referred to M. A. B.
Glenn Filson, Concord.
Elmer Floyd, Jacksonville, rejected.
Glenn D. Hood, Jacksonville, referred to medical advisory board.
Guy W. Goodrick, Jacksonville, referred to medical advisory board.
Freling Gordon, Jacksonville.
William J. Lawson, Jacksonville.
John C. Evans, Springfield, Ill.
Thomas R. Collins, South Bend, Ind., transferred.
Fred Gaddis, Meredosia, referred to medical advisory board.
John L. Doolin, Jacksonville, transferred.
Simone Di Girolamo, St. Louis, Mo., did not appear.
John W. Lyons, Waverly.
Lloyd G. Ogle, Jacksonville, rejected.
Henry Scott, Jacksonville.
Perry T. Burnett, Hanover, Ill., transferred.

John F. Sullivan, Jacksonville, referred to medical advisory board.
Preston E. Carenen, St. Louis, Mo., referred to medical advisory board.
Henry Farmer, Prentice.
Arthur L. Hancock, Covington.

MANCHESTER BIBLE CLASS HELD SOCIAL
Ladies of M. E. Church Met at Home of Mrs. R. C. Curtis—Other Manchester News Notes.

Manchester, March 29.—Members of the Ladies Bible class of the M. E. church enjoyed a social at the home of Mrs. R. C. Curtis Wednesday afternoon. A social time was enjoyed after which a business session was held. Mrs. F. T. Peters, teacher of the class, presiding. Refreshments of fruit salad, with whipped cream and cake were served. Those present were Mesdames F. T. Peters, H. McConnell, Charles Woodall, Bu-leigh Boyer, Chester Tankersley, J. F. Travis, E. D. Murray, James Mellor, C. F. Fahrnkopf, R. C. Curtis, Misses Lennie Blevins, Tessie Cochran, Pearl Rousey, Esther Grant and Mary Bell.

Miss Emily McCracken left Thursday for a visit with Mrs. T. A. Caldwell in Lebanon, Mo.

D. T. Smith and Robert Woodall of Winchester transacted business here Tuesday.

Mrs. J. H. Langdon and Mrs. S. A. Wilson spent Tuesday in Jacksonville.

Mr. and Mrs. Clare McQuown have moved here from Alton.

Mrs. E. G. Saye of Jacksonville spent Friday with her parents, Mr. and Mrs. J. C. Andras, Sr.

The Red Cross society sent a large shipment of clothing to the French and Belgian Relief Fund headquarters Friday.

Members of the public school faculty attended the Scott County Teachers' Institute held in Winchester Thursday and Friday.

A man often buys a hat because it looks O. K. on the other fellow, who perhaps is much larger, or smaller than he is. It requires special training to enable a salesman to know what hat to recommend to each customer. This service is rendered by FRANK BYRNS' Hat Store.

THIS FINAL DAY FOR REGISTRATION
Jacksonville Women Are Urged to Register Today and Clean up the City's Record.

This is the final registration day for women of Jacksonville. Registrants will be at work at the rest room in the Ayers National Bank, at Hopper's shoe store and at Bethel A. M. E. church, in accordance with arrangements made by Mrs. W. P. Duncan, chairman. The hours for registration will be from 1 to 5 p. m. and those in charge of the work are earnestly hoping that the 194 names lacking can be secured today so that the record of Jacksonville will be equal to the other precincts of the county.

Gov. Lowden's proclamation with reference to registration issued some time since well outlines the reasons for registration:

To the Women of Illinois:
I urge all women to go to the place designated in their communities and to register their names. This applies as well to those who feel that they will not have time for other duties than they now discharge, as to those who have the time and are willing to help directly in the work which the war has brought. There are some who will be able and willing to take the places of men who have been called to the colors. There are others who will help in the work of caring for the families of those who have gone to the front. There are still others who will be glad through the Red Cross and other like organizations to help to minister to the welfare of our soldiers in the field. There are a thousand activities for which women are peculiarly fitted, and which will help greatly to maintain our morals in the field, and what is equally important our morals at home. The registration cards which will be provided at the places of registration will enable each woman easily and fully to indicate where her chief usefulness to our country will be in this crisis.

A general registration of our women will bring cheer to our soldiers in the fields, strength to our government, and will give notice to the world that the spiritual resources of Illinois are mobilized in the prosecution of this most righteous war.

Signed
FRANK O. LOWDEN, Governor.

THREE PERSONS BURNED TO DEATH

NEW YORK, March 29.—Three persons were burned to death, one was killed by a fall and two were seriously injured in a fire in a theatrical boarding house in West 28th street early today. The identified dead are: Catherine Harrington and Edward Swanson.

The cause of the fire is unknown and fire officials are investigating reports that it was of incendiary origin. There have been six fires at the house since the first of the year, according to the fire-marshall. The monetary loss was small.

CLEMENCY FOR MOONEY ASKED BY PRESIDENT

SACRAMENTO, Cal., March 29.—President Wilson has telegraphed Governor William D. Stephens of California, asking executive clemency for Thomas J. Mooney, now under death sentence. It became known here today. Mooney was convicted in connection with a bomb explosion in San Francisco during a preparedness parade July 22, 1916, which caused the death of ten persons and injured forty others.

116 VIOLATE 'SPITLESS DAY'
Chicago, March 29.—One hundred and sixteen men were arraigned in police courts today as a result of arrests yesterday, the second of a series of "spiteless days" inaugurated by the authorities to catch those who expatriate on sidewalks and elevated station platform. In most instances the offenders were fined \$1 and costs.

NEW SPRING EASTER MILLINERY AND LADIES' READY TO WEAR GARMENTS ARRIVING ON EVERY EXPRESS AND PARCEL POST SERVICE AT HERMAN'S.

NOTICE TO CONTRACTORS
Bids will be received by the city council until noon Tuesday, April 9, for the construction of certain sidewalks on the following named streets, because of failure on the part of property owners to comply with notice sent them, the city will have the work done and taxed against the property in accordance with the law. The streets are as follows: North Main, South East, Pine, North Diamond, West College, South Sandy, Lurton, West Court, Myrtle, East North, Chambers, East College, Mathers; and also Allen, South Clay, East Independence and Ashland avenues.

The council reserves the right to reject any and all bids.

R. L. Pyatt, City Clerk.

Violations of the law prohibiting riding of bicycles on the sidewalks are numerous. As a protection to the public this law will be vigorously enforced. All bicycle riders are hereby warned that they must not use the sidewalks.

J. E. MARTIN, Commissioner Public Health and Safety.

RED CROSS EXHIBITION.
All those who are interested in seeing what Morgan County is sending to our boys at the front are cordially invited to visit the Red Cross Headquarters at the Public Library today. The Red Cross socks in which the knitting committee takes especial pride, as well as sweaters, wristlets and helmets will be on display.

Special features of the exhibition will be the demonstrating of the knitting of two socks on the same set of needles by Mrs. J. W. Lowdermilk, the making of wristlets on the machine owned by Mrs. Frank Taylor demonstrated by Mrs. Asa Robinson, the sock machine owned by Dr. Grace Dewey. A group of young sock knitters will be present showing what they are doing for the Red Cross.

The committee has invited a civil war veteran who has the distinction of being the only man who is knitting socks for the Red Cross.

Hospital garments and refugee clothing for the Belgians will also be exhibited. Novelty knitting bags made and donated by Mrs. C. H. Rammelkamp will be sold for 35c.

The exhibition will be open all day Saturday, Sunday afternoon between 2 and 5 o'clock, and Monday afternoon.

The Red Cross management hopes that many people will visit the headquarters. Men especially are invited to come and see what Morgan County is sending out thru the local Red Cross.

STREET ASSESSMENT NOTICE
ACCORDING TO THE LAW
All street assessments due January 2nd, 1918, and not paid by April 1st, 1918, will be turned over to Sheriff for collection.

Charles B. Graff, City treasurer and Collector.

ARRESTED FOR FORFEITURE OF BONDS
Ottumwa, Ia., March 29.—Ira Bond, formerly of Minneapolis, wanted in Chicago, according to the authorities, for forfeiture of \$37,000 bonds through failure to appear for trial Tuesday, was arrested at a local hotel today by a state agent. Bond was wanted in connection with the operation of an "automobile thieves' trust." The Chicago authorities have been notified.

Your best interests studied at Knoles' clothing house.

FIELD AND GARDEN SEEDS EXEMPT FROM EMBARGO
Washington, March 29.—Field and garden seed will be unconditionally exempted from all embargoes, according to an announcement made by the department of agriculture today. Instructions will be issued to all railroads to do everything possible to expedite the movement of seed.

FUNERAL SERVICES HELD FOR RUTH MOORE

Was Attended by a Large Number of Friends and Relatives.

Bluffs, March 29.—Funeral services for little Ruth Moore, only daughter of Ralph Moore, were held at her home Friday at 10:30 o'clock in the presence of a large congregation of sorrowing relatives and friends. Ruth was very dear to her little school-mates and friends and her passing has left a vacancy that none other can fill. A short scripture lesson from the 23rd Psalm was read by her pastor, Rev. P. J. Rinehart. The entire services were very beautiful and impressive. Suitable music was furnished by Mesdames P. J. Rinehart, Arthur Pyle, Messrs. Chas. Hale and L. S. Black. Mrs. L. S. Black presided at the piano. The following boys, school-mates, were bearers, Merle Korty, Russel Arnold, Raymond and Leroy Knoepfel, Edward McCullom and Vernon Hale. The beautiful flowers were in charge of Gertrude Fuson, Mildred McIntire, Elizabeth Ray, Gladys Thomas, all of whom were her school mates, assisted by Mrs. P. M. Green. She was tenderly laid to rest beside her mother at the Green cemetery.

Those in attendance from out of town were her grandparents, Mr. and Mrs. Marshall Green and daughters, Misses Mamie and Ceres Green, Mr. and Mrs. John Loop, Huntsville, Mr. and Mrs. Henry Pieper and daughters, Misses Winifred and Bessie of Winchester, Mr. and Mrs. Harvey Green and daughter, Miss Beulah of Naples.

SAY DO YOU KNOW
That all taxes not paid by March 10th are delinquent, and may be advertised any time after April 1st? So reads the revenue law of the State of Illinois.

GRANT GRAFF, Sheriff and Ex-officio Collector

Your feet will be attractively attired if they are dressed in some of the attractive footwear offerings we are showing. Let us assist you in this very important part of your make-up. Your footwear is conspicuous, so have them tidy and neat.

There is a splendid array of new spring effects awaiting your inspection in a large variety of the late color effects in boots. Showing of pleasing styles in pumps and oxfords.

Buy War Savings Stamps Here

MAXIMUM WAR SAVINGS CLUB BEING FORMED

F. J. Waddell, Chairman of the Morgan County Chapter of Maximum War Savings Club Has Work Well Under Way.

The work of organizing the Morgan County branch of the Maximum War Savings Club is well under way. Frank J. Waddell, chairman, announced Friday. Mr. Waddell was appointed to this position some time ago and at once entered enthusiastically into the work.

Two hundred personal letters were written and mailed by Mr. Waddell to a select list of citizens of the city and county. The men solicited, to become members, sign a pledge card for the purchase of the maximum amount of War Savings Stamps one individual can buy.

Under the plan that is outlined for the club each member will invest the sum of \$823 in war savings stamps for which the government will pay on January 1, 1923 the full \$1,000. The bonds draw interest at the rate of more than four and one third per cent interest. In addition to being an excellent investment from an interest standpoint the bonds are free from all taxes including income taxes.

The membership of this club will be placed on an honor roll which will be posted in headquarters building. The members also will receive a handsome engraved certificate of membership signed by James B. Forgan, president of the First National Bank of Chicago, who is state chairman, and Edwin Stanley, secretary.

Meet us at Modern Garage for demonstration of the Studebaker Light Six or other models. Louis Cain, Salesman; Charles M. Strawn, Distributor.

PETITION COMMISSIONERS TO CHANGE MONUMENT PLAN

At the meeting of the county commissioners today petitions signed by a great many residents of Jacksonville and Morgan county will be presented asking the board to rescind the recent action in determining to award the contract for the erection of monument No. 2. Petitions prepared by veterans have been in circulation by them and their friends during the past two days and a great many signatures have been secured. Judge Owen P. Thompson will appear on behalf of the petitioners.

FOR SALE—BARGAINS Two used Ford touring cars and one new one. Jacksonville Farm Supply Co.

PROBATE COURT

In the estate of Martha Capps Oliver, petition to omit appraisement was allowed.

In the estate of George L. Merri 1, deceased, the estate was declared closed and the executor, J. H. Russell discharged.

In the estate of W. H. Mason, the widow's relinquishment and selection was approved.

FOR EASTER BREAKFAST Some of that good Crescent ham or bacon at WHITE PIG MARKET

DR. W. H. SCHOTT

RECEIVES CALL

Dr. W. H. Schott received notice Friday to report at Camp Pike, Ark., for duty in the medical service of the army. Dr. Schott has been commissioned First Lieutenant and has been expecting a call for some time. He is a graduate of the Chicago College of Surgery and has been practicing in Alexander for the past five years and has been very successful. He expects to leave for Camp Pike Monday.

FOR EASTER BREAKFAST Some of that good Crescent ham or bacon at WHITE PIG MARKET

ASBURY SERVICES.

There will be regular services at Asbury church Sunday, 2:45 p. m., (new schedule). Preaching by the pastor, W. W. Theobald. If every body sets their clocks ahead one hour Saturday night there will be no confusion as to time.

HIGH SCHOOL PLANS DISCUSSED BY ROTARY

Supt. Perrin Gave Informal Presentation of Subject—Dr. Harker Declared Community School Would be Distinct Advance.

At the Rotary Club luncheon held Friday night at the Pacific hotel Supt. of Schools H. A. Perrin was a guest and made an informal talk on the high school question. Mr. Perrin was presented by Frank J. Waddell, president of the club. Mr. Waddell announced that because of the press of other work the naming of committees had been deferred for another week and therefore nothing further along organization lines should be attempted for the present.

Mr. Perrin's purpose was not to give his own personal views of the high school question but to present the matter in a broad way and indicate the possible courses that are open to Jacksonville people in the rebuilding of the high school. It is possible, of course, to rebuild along the old lines, the present boundaries of the school district can remain the same or the district can be enlarged in a small way and take in the suburban territory. A third way would be the building of a community or township high school, which terms would be practically the same, except that with the community high school the township lines would not need be followed.

More Funds for Community School

It was pointed out by Mr. Perrin that with the present rate of taxation it would not be possible to maintain a school of much larger equipment than the school recently destroyed by fire. If the purpose of the people be to enlarge high school equipment and curriculum the natural course to follow would be the establishment of a community high school. By this means a much larger territory would be taxable for the support of the school. With a community high school the cost of the institution would be paid from taxes against the property of Jacksonville and the other territory included in the boundaries and the affairs of the school would be managed by a board of education. This would operate independently of the board of education handling the affairs of the Jacksonville schools. Thus there would be two distinct educational units. In some instances one man is placed in charge of both the high school and the city school system.

The growth of the community or township high school idea has been strong and steady during recent years, particularly in the northern part of the state. Where such schools are established the funds available make it possible to have enlarged courses and equipment and to retain a strong teaching force. Agricultural courses and work along experimental lines have their place with most of the township high schools. Listed among the objections is the fact that the township high school law has been a matter of frequent court action and in some communities there has been so much of opposition to the township plan that bitterness have been engendered which have been generally detrimental to education interests.

Another objection in some instances is the friction resulting from the two school systems and in some cities like Decatur, Peoria and Springfield there has been opposition to the plan of cutting the system into two parts.

Up to the Voters

For the establishment of an enlarged school district it is probable that the people in the several districts which would be included would have the right to vote on the question and decide the matter for themselves. If a community high school district be established the matter is up to the people of the whole district for decision and here the people of Jacksonville would probably have the deciding vote as the larger part of the population of any such district would be in the city of Jacksonville.

Following Mr. Perrin's address came informal discussion during which a number of questions were asked, all tending to throw light upon the general subject which is accounted one of vital importance to the community at this time.

Among those taking part in this discussion were J. S. Hackett, W. L. Fay, Dr. J. R. Harker, and Dr. C. H. Rammelkamp.

An Educator's View

While Mr. Perrin because of the position he holds, did not count it proper for him to express any personal opinions at this time, Dr. Harker said that this rule did not apply to him and that he had no hesitation about declaring that he is strongly in favor of a community high school. Dr. Harker said that it was a fact well known in educational circles throughout the state that Jacksonville had not spent as much money for its school system as should be the case—not as much money as is spent in a great many other cities. He declared strongly in favor of the community high school because he sees in this plan practically the only opportunity for securing the funds necessary for the maintenance of a high school along more advanced and liberal lines.

The speaker also came out unequivocally as opposed to the erection of a high school building on the present site, his statement being that the grounds are entirely inadequate for a high school building. "Education is the best thing for education," Dr. Harker said, "and the development of a community high school, with its added departments and efficiency, would be beneficial to the whole community and helpful to the other educational institutions in this city." Altogether, the discussion of this present day important question was of great interest to all those present.

F. J. Hehl, secretary of the club, stated that the next luncheon will be Friday, April 5, at 12:15 o'clock at the Pacific.

Your Easter Suit Is Here

Plenty of Models to
Suit Any Degree
of Taste

Clothes rightly styled for young men or the more conservative dresser. Military styles predominate for young men—five seam high waisted back, some with waist welt seams, bellows and military flap pockets. Blues, grays, greens, mixtures and iridescent—

\$15.00 to \$40.00

Shirts—Silk and Madras—woven stripes, not printed **\$1.50 to \$10**

Easter Neckwear

Wonderful new lustrous silks from Italy and Switzerland—each a masterpiece of the weaver's art. Of domestic silks we have many new and novel designs different from anything you've seen—

50c to \$2.50

Your Easter hat is an important part of your dressup. Every style you may look for is here. All the best choice of domestic and foreign styles.

Stetsons Borsolinos
Shobles

Light weight comfort hats—

\$3 00 to \$7.50

Boys' New
Knicker
Suits

**MYERS
BROTHERS.**

Child's
Top
Coats

TRINITY BENEFIT BALL

The Benefit Ball for Trinity church on April 5th is not an invitation affair as generally supposed—but every one who is interested in the building of Trinity church is invited to come to the Illinois College Gymnasium at 8 o'clock and have a good time.

The music will be worth the price of admission—and a supper will be served at 10 o'clock. Mr. J. Thompson Sharpe is general manager of the Ball—and anyone having friends out of town to whom they might wish to send tickets can communicate with her by telephone No. 93.

John R. Phillips, Sec'y.

PRE-EASTER SERVICES.

The fifth of the series of Pre-Easter services being conducted by the C. W. B. M. of Central Christian church was held at the home of Mrs. Charles K. Moore, 930 West North street Friday afternoon. Fifteen members and four visitors were present. One new member was added. The last meeting of the series will be held at the Old People's Home Sunday afternoon at 2:30 o'clock with Mrs. M. L. Pontius as leader. All members and friends are urged to be present as this will be the last meeting of the series. The self denial box will be open at this meeting.

ACROSS THE COUNTRY AUTOISTS

Thursday night another auto party arrived in the city driving Hupmobiles to Brookfield, Mo. The party consisted of J. V. Rogers, D. R. Young, Red Brannon, H. Monroe, Ed Wiggins and W. E. Cantwell. They took occasion to view the attractions of the city which pleased them very much and then passed on.

CLEAR SALE RECORD. HELD BY OAKLAND

Fifteen Oakland "Sensible Six" cars sold by the J. F. Claus Motor Co. during March, and not a trade among them, speaks volumes for the high standing of the Oakland in the community. It also sets a new sales record.
